From The President David Strauser, Club President

Hello again. By now you've received a letter from our General Manager, Bill Elliott. I hope you took a moment to read it over and take it to heart. Your support can make a big difference, but I won't rehash what Bill has already put so well. If you haven't checked the letter out yet, please be sure you do. Ligonier Country club has a few great offers included in that letter that will expire in just two weeks.

You also would have found a Save the Date reminder in that envelope for August 18th. Perhaps you surmised that the event is the Family Fun Day returning to the event calendar; and you'd be almost correct. Social Chairman, Mark Elliott and Banquet Manager, Katie Borneman are working on a new Summer Picnic for all members. There will be a picnic, bouncers, games and other activities to be announced. A small change to this event, there will be a nominal entrance fee. We will also be looking for sponsors and helpers for the event to keep that fee as low as possible. So contact Katie if you or your business is interested. If you want to help in the planning, Mark has room on his Social Committee for a few more bodies.

The Member-Member is just two weeks away and I hope to see a full field of players for this great two-day event. Saturday night the Gravel Burnouts will be here for a Southern Rock Party. We also have a Men's Stag on July 17th; stags are great for returning favors or treating clients. Please also keep your eyes open for a fall member-guest. Once the details are finalized we'll be getting the information out to you.

Thank you for your continued support of Ligonier Country Club.
Now lets get out and enjoy this weather!

Overall Champions were Jeep and Brian Quinn, they defeated 7 other teams in the 7 team playoff. It was a great playoff filled with great twists and turns, on #1 Jeep and Brian made par on the first playoff hole to win. Two great days of golf and friendship was capped off by a wonderful dinner Saturday evening presented by Bill, BobbiJo and staff. Justin and his staff had the Golf Course in magnificent shape. We hope everyone had a Great time, and hope that you participate in the years to come.

The range has once again been very busy this year, the use of woods is discouraged, please be very careful when hitting any balls at the practice facility. Please use the new path the entire distance to the range back behind #18 green, past #16 tee on the left then into the new opening to the right side, do not cut thru #9 fairway.

The Golf Shop is committed to your enjoyment while you are here at the facility. As with any job there are uncomfortable and touchy situations that arise from time to time. Details of your membership can be found on the website and management is happy to discuss or clarify any questions.

Thank You, John Klinchock, PGA
