## From The President

David Strauser, Club President

Greetings from your new club president. First off, I would like to thank Mr. Dan Horner for his many recent and previous years of service to the club. I look forward to working with the current and future boards to continue to take LCC into its next 100 years.

Your feedback is always appreciated and taken into consideration at every monthly meeting. Please feel free to reach out to myself or any board member with any comments or concerns. Pros and cons of every decision made are weighed and the solution believed best is selected. Each voluntary member of the [Board of Governors](#) has the best interest of the club in mind at all times.

If you are interested in participating in a committee, a number of these are currently being formed. Contact myself or Bill Elliott for more information on how to serve.

I would like to remind the membership that it is your support that keeps LCC moving forward. Bringing guests, taking carts, supporting club events, spending your dining dollars here are all vital to the club's success. These things don't go unnoticed and we thank you. Be sure to check your event calendar for great upcoming events such as the Men's Invitational, Member-Member, Ladies' Invitational, and Reggae Night.

In closing, hopefully we can get many more sunny days to enjoy this great club and all it has to offer.
