From the Board-Daniel Horner

Greetings from your new Club President. I have big shoes to fill following the likes of Rich Myers and Dan McDonald, but I look forward to working with the rest of the Board and the Management team to keep LCC growing.

I was previously a Board member, and started a second round on the Board in 2011. Be assured, we are working hard to keep LCC moving forward into the future and are about to start work on our next 5-year Plan, having successfully completed the first this year. Thank you to the previous Boards for their hard work on setting the standard of responsible spending and planning. You can see their results all over the club.

We have been very fortunate in maintaining a level of membership around 600 and a lot of that is thanks to you; our membership makes LCC one of the most successful

Paul Ives, Hole in One, May 18th

clubs in Western PA. It's great to have members willing to take part in all facets of club life: hosting events and outings, attending golf and social events, and volunteering their time.

As you well know we have some wonderful member

events coming up: Men's Invitational, Couple's Night, and—mark your calendars—Member-Member. Member-Member's theme this year is A Night with the Stars.

Thank you all for your understanding when the clubhouse is closed or has limited availability due to events. Outside events are another reason for the club's success. The clubhouse is only closed when absolutely necessary or when a member event requires the whole building.

Please feel free to contact me, or any of the Board members any time with your questions or concerns. Our contact information is available on the website.

Ladies' Golf Association—Guest Day 2014

Calling all Divas! Be prepared to be dazzled by our Member-Guest on July 8th. Everyone should have a sparkling good time with our "Divas, Diamonds, & Divots" theme.

We plan on rolling out the red carpet for this event which will feature an 8 o'clock continental breakfast to be

followed by a 9 o'clock shotgun. A new golf game called "The Waltz" will be featured and many skill prizes will be awarded.

All LCC women members (golfing and otherwise) are invited to attend along with their guest or guests at a cost of \$70.00 per player. Please send all checks to:

Mrs. Karen Thompson
142 Farmington Place
Greensburg, PA 15601

Remember to circle July 8th on your calendar and come dressed in your finest red, white and black outfit for this dazzling event. Please sign up for this event before July 4th.

The month of May could have been better with several inches of rain above average, but we have also had many nice days if you don't mind slightly damp conditions. The week of Memorial Day we enjoyed great weather and the Golf Course was in excellent shape, we even got scattered reports of several golf balls having roll.

June and July Events:

Men's Invitational June 6-7, with the practice round on Thursday the 5th. The Golf Course is open to all play on Thursday, closed on Friday until 5:30, and re-opens Saturday afternoon at 3pm.

Friday-Sunday 13th- 15th
Fathers Day Dice Sale
-The annual Fathers Day sale will begin on Friday June 14th and run through Sunday June 17th. The sale will consist of 1 dice table

and 9 die (dice), once you have picked out your soft good purchase then you roll the dice to see your savings. The least you can receive is 25%, but the most you may receive is 54%. This sale is on all soft goods, Men's Apparel, Ladies Apparel, and Youth Apparel. Soft goods consist of shirts, hats, sweaters, and fleece, however such things as shoes, clubs, and balls are not included. Free Gift Wrapping will be available on Saturday and Sunday for all your purchases. Come out and try your luck!!!!

Sunday 15th **Annual Fathers Day Event-** once again we look forward to a nice field for this fantastic bonding event. This is truly a fun day that you and your family can bond and spend some nice time together. Play will be off the first

tee, with tee-times assigned by the Golf Shop, we do honor requests that day of playing companions, or if we must fill out your group we certainly will. **You must pre-sign up for this event in the Golf Shop prior to Thursday at noon,** due to heavy participation the day has become very busy. The event will be Callaway (using Callaway scoring system) Total of 2 for winners in both Net and Gross divisions. These simple events allow everyone to have fun without a handicap and especially without any pressure.

May 2014 Wrap Up

Doris

daughter

Over 150 members, guests, and children enjoyed a four-course meal on Mother's Day, Sunday, May 11th. The weather was wonderful and we hope all the

mothers and grandmothers of LCC enjoyed their day no matter where they celebrated.

Our first Men's Stag of 2014 was almost washed out, but our 63 competitors were only delayed a little over an hour and enjoyed an American food themed dinner afterwards.

May 18th we invited couples to a casual night of games and

were overwhelmed by the response: 40 people. It went so well we're going to try and have one each month.

coincidence that the demo day we had with both companies was a great success. Drivers up to \$100 off, sets reduced greatly, and fairways and hybrids having huge savings. Now is the time to purchase.

The LCC Trade in Program has been very successful this season, we have taken trade of over 60 clubs, if you wish to see what you can get for a trade please stop in.

The US OPEN. The Golf

Shop will be having a pool to help peak interest in the National Open festivities. We have a few Members that we know are making the trip to Pinehurst #2 and will have a strong rooting interest. The cost of the event is \$8 per try, and it is always fun to have a rooting interest when watching.

The Practice Range –the tee is now being cut 2 times per week to ensure better conditions when you go to practice. The range will close for

scheduled weekly cutting starting at 5pm on Wednesday evening and remain closed until Thursday at 9am. Thank you for your patience with the soggy weather.

Guest Policy- When bringing a guest to our club please remind them of our policy of dress to alleviate any uncomfortable situations. As the presenting member you are solely responsible for your guest's actions during their visit to our facility.

QUESTION OF THE MONTH

Q. Dear Golf Shop, I have noticed that the people I have played with for years have recently developed a bad habit: to identify the ball in the rough they believe that they must pick up said ball then set it back down, not always in the same spot. Can you verify the process for me?

-Slightly Peeved in Pittsburgh

A. Under rule 12-2 of the Rules of Golf a player before the round should make identifying marks on the golf ball. If the ball has come to rest in a spot in the rough that the player after taking all actions (including getting on the ground) to identify the ball can not, then with notification to the marker or fellow competitor can lift the ball to identify, mark, lift, then replace in the same spot. The ball **must** return to its original position.
