FROM THE PRESIDENT OF THE CLUB ~ DAN HORNER

We wouldn’t be where we are without our membership. August is Member Appreciation Month. It’s when we take the time to thank you for your continued support and focus on growing our LCC family.

To thank the membership we start the month off with our annual Family Fun Day. Rain or shine, it’s a great time for couples, families, and extended families. It starts at 2 pm on Sunday, August 7th and is free for members (and spouses), children under 12, and grandchildren. There is a small minimum-deductible fee of \$15 for adult guests. Visit our website photo gallery or Facebook page to see what kind of fun we’ve had during the past 12 years of Family Fun Day.

We also have two great opportunities to share LCC with your friends and family.

The first is on Saturday, August 20th: our second Share LCC Day. You’ll find more information further in the newsletter. It’s a great way to introduce someone to the club.

Secondly, we’re offering you and a new member some great savings! See the flyer that accompanies the newsletter for a chance to renew your membership at 15% off the current price when you get a new member to sign up (who will also receive 15% off)! That’s one current member and one new member getting a great deal! The offer runs from August 1st through September 15th and both member must pay in full or set up for 4 monthly installments. For more information, or for a price for a combination not listed, call membership at 724-238-7620 ext 6.

We just need to see more of one thing this summer, and that one thing is you! Plan on making August your golf month, grass will wait, weeds will always be there, but golf time is precious.

Questions OF THE MONTH

Q-What are the requirements to play the white forward men's tees?

A-There are no age requirements used to play from any tee, even though some courses or some friends may tell you differently.

When you enter your scores into the handicap machine it will automatically change to the default tees (green for men, red for ladies). Your handicap is based on those default tees no matter what tee you play, men or women that wish to play any other tee rather than default tees will have their handicap adjusted either up or down according to which tees you wish to play.
