LIGONIER COUNTRY CLUB 90TH SEASON

Volume 12, Issue 5

July 1, 2015

FROM THE BOARD

We haven't built an ark yet, but we're drafting up plans. It was a disappointment to all of us that we were forced to close the course on Father's Day. We had received over 9 inches of rain in just a few days and had to consider protecting the course from damage. Thank you to everyone for your patience as we also restricted cart use at the end of the month. Hopefully, we get some nice hot summer weather soon.

Two great member events are coming up: a men's stag (open to all members) and the Member-Member (Saturday night dinner is open to all members). There also some great social events on the horizon like the Family Fun Day August 2nd and the Fall Festival on September 12th. Be sure to get signed up for all these great events early so you don't miss out.

Lastly, don't forget to check out our GolfBoards in the Pro Shop while they're here!

Question of the Month

Q-Earlier in the year you spoke of life expectancy going up 5 years for those that play golf. What other health fact can I tell my spouse that will translate into more rounds for me?

-Uncertain in United

A-Those players that walk 36 holes a week can look forward to burning more than 8,000 calories per week. This can add up to a loss of 9 pounds over a 3 month period. The former Surgeon General C. Everett Koop said "any form of walking is great for you, even if it is chasing your 150 banana ball into the woods."

It was a great playoff filled with great twists and turns, ended by a chip in on the first hole.

Two great days of golf and friendship was capped off by a wonderful dinner Saturday evening presented by Bill, Bobbie Jo and staff. We hope everyone had a Great time, and hope that you participate in the years to come.

The range has once again been very busy this year, the use of

woods is strongly discouraged, please be very careful when hitting at the practice facility. Please use the new path the entire distance to the range back behind #18 green, past #16 tee on the left then into the new opening to the right side, please do not cut thru 18 fairways.

Thank You.
