FROM THE PRESIDENT OF THE CLUB ~ DAN HORNER

And just like that we're into the summer and the weather agrees. Eighty-degree days seemed to pop up out of nowhere last week. Hopefully we have many, many nice days ahead. Of course, with high temperatures comes the chance of pop up storms. If you hear the warning siren, please immediately move to cover or come off the course to safety. Our shop members monitor the weather very carefully and only blow the siren when your safety is at risk. But please don't just rely on the siren; keep an eye on the sky when lightning is possible.

We continue to encourage you to share your club with your friends, family, and even your coworkers. Don't forget: the Board lowered the price of guest fees this year. And with the green fee packages added this year we hope to give you opportunity to bring new people out for

the pristine views and great food. Sharing the club throughout the season is very important to the prosperity and longevity of the club.

A big thank you to everyone who came out and filled the clubhouse for a few special nights last month. The Kentucky Derby party, Cinco de Mayo night, and Spring Fling were great turnouts. Watch your calendar and newsletter for more great events throughout the year.

The Annual Meeting of Proprietary Members was held on May 4th. Your 2016 Board of Governors are:

President	Daniel Horner
VP/Finance Chair	David Gallatin
Tres/House	John Siemering
Sec/Membership	Kristen Obush

Questions OF THE MONTH

Q. What are all the bells for on the Golf Course?- New Member in New Florence

A.-The bells are for protection for the player in the fairway. The bells have been placed far enough out into the fairway to allow ample

space between groups. Each bell has a distinct tone, please be courteous to your fellow golfers.

Q. Recently while playing I hit myself with my ball after striking it off a tree, but to add insult the ball bounced back hit my right foot then my left foot, is this two penalties or just one? -Smarting in West Fairfield Township

A.-Pretty humorous, but only one penalty stroke would apply.
