the Ligonier LINKS

September 1, 2016

Volume 13, Issue 6

FROM THE PRESIDENT OF THE CLUB ~ DAN HORNER

What a response to our recent new member and guest programs! We welcome 17 new members this issue who joined in August (see page 4) and we're expecting another group of applicants in the next week or so. This is a great time to renew your dues for next year and sign up a friend, family member or co-worker as you'll both save 15%! And your new "partner" gets to join you on the links for the rest of 2016 too. We extended the "Pick a Partner" deal to September 15th, so don't miss out.

On August 20th we had over 60 participants in the Share LCC Day. We love seeing and meeting members' guests. Thank you to everyone who joined us that day. We're giving you a another great deal to bring guests this month during our Aerification/September Guest Golf Special. See the top of the

page for more information. It runs from Friday, September 9th (as long as aerification week goes as planned) until Friday, September 23rd.

What's this aerification thing? It's a necessary yearly maintenance process that all golf courses must endure. Aerifying and top-dressing helps greens survive the winter. Doing this process in early September allows time for the greens to heal before the grass stops growing and we head into winter. Come spring time, our greens are normally ready for play early than clubs that wait until October to aerify.

It also allows for a longer fall playing season, which many of us feel is the best time of year to golf at LCC. So don't put those clubs away just yet. There's still plenty of golf to play this year!

From our Golf Pro ~ John

The Golf Shop wishes to thank all those that have participated in the events, purchased items through the shop, and used the facility throughout the year. We truly appreciate your continued support!!!
