

From The President

Kristen Obush

At this same point in the golf season last year, we were mid-pandemic, and we thought or at least were hoping that things were taking a turn for the better. We thought that we could see a small light at the end of the tunnel. While we knew this health crisis wasn't over, we had no idea of the extreme fallout that was ahead. I cannot even overstate how extremely we, as a club, have been affected with regard to staffing and to our supply lines. I know it sounds like a broken record, but please continue to be patient with our hardworking staff. They have hung in there with us through it all, and they are working very hard to offer that same level of excellent service that we have come to enjoy at our club! Again, if you know anyone looking to work at a dynamic place, PLEASE send them our way.

We hear you, and we understand the frustrations over our reduced hours and closures and about the outdoors being the only dining option. We wish for all of this to end, but it is truly out of our hands for the foreseeable future.

We encourage everyone to not wait until the end of the month for dining. Consider taking advantage of our upcoming buffet nights on August 19th (Indian Night) and August 21st (International Night). Please continue to make reservations. If you are unable to reach a staff member, you can leave a message with Leah at any time.

The weather has been pretty darn good. The course is in great shape thanks to Jim Born and his staff, and there is still lots of golf to be played. The club championship is right around the corner followed by lots of other fun events: Bucks n Does, Intermediate Night, the 5 Man Scramble, the Pig Skin Cross Country Classic, the Breast Cancer Awareness Tournament, and the Pumpkin Par 3. Grab your spouse, grab a buddy and sign up. We really have enjoyed meeting many people when we play in these events, and we look forward to meeting even more in the months to come.

Finally, I want to commend and thank Bill Elliot for keeping the ship sailing while we navigate through these difficult times.

Symphony Under the Stars

Saturday, September 18, 2021

Are you ready for an evening with the Symphony? If yes, then we have the perfect evening planned for you. The

Westmoreland Symphony will be performing from our Pavilion on September 18, for an evening of movie-themed music. We keep the movie theme going with: popcorn, cotton candy, nachos, and beverages. Tickets will be sold and money raised will benefit SAMA (Southern Alleghenies Museum of Art in Ligonier).

Show starts at 6:45p.m. and if you are planning to attend, bring a chair and pick your favorite fairway location. Look for your invitation and more details to be out shortly.

In order to make this evening a success, we are in need of volunteers: Registration, 50/50, food servers, etc. Please contact Leah if you are able to volunteer. (Rain Date is scheduled for September 20th)

Ladies Golf News

July started with the Flag Day gadget. When players exhausted their handicap strokes, they planted their flag. Linda Boyle made it into the hole on 18. JoAn Treskovich ended her game 3" from the 18th hole.

The 9-holers played the same game. Barbara Sloan and Ann Aungier ran out strokes at the same time on the 17th green.

The Queen Bee ringer tournament was played on July 13 and 20. Stephanie Trozzo, with a net score of 60, is the new reigning Queen Bee. Thanks to JoAn Treskovich, last year's Queen Bee for organizing the lunch after the second round.

The Lady Bug tournament for 9-holers was played on July 13 and 15. Barbara Sloan successfully defended her title with a net 38.

The Pro Shop selected the teams for the Pink Lady gadget on July 27. Each group was given two pink balls to play with. Each group had the option not to use the Pink Lady on desired hole(s). The group with the highest score with the pink balls won. 1st Place: Darlene Elliott, Enis Cassill, Robin Guinta, Betty Rosa – 85
2nd Place: Cindy Soccio, Jan Litrun, Sherry O'Halloran – 76

The 9-holers played for low gross, with holes #1, #5, and #9 automatically reverting to par. Barbara Sloan won with a score of 38.

Friend's Day will take place on August 17, hosted by Betty Rosa and Karen Thompson. Association members may bring up to three friends. Members will be responsible for the cart fees for their guests and lunch following play.

The premier event in August is the Ladies Classic, hosted by Enis Cassill. The tournament is restricted to members of the Ladies Golf Association. 18-holers and 9-holers are eligible to win in their respective groups.

August 31 will be a new Member-Member event with two person teams chosen by the Pro Shop. Holes 1-6 is best ball of two, Holes 7-12 will be alternative shot. Holes 13-18 is a scramble

From the Pro

Dear Members,

In my last newsletter, I mentioned after the 4th of July, time flies by and it sure has. It was a very busy July, and it shows with rounds being 2,000 more year to date than 2020.

In the month of July, we partied with our Margaritaville themed Member-Member, had a Christmas in July with our Bucks & Does, crowned our Queen Bee/Lady Bug and named a Senior Club Champion.

August will be filled with many more events and hopefully just as good of weather as we had for July! We can't wait to glow up the course for our Family Glow Golf, mysteriously hold our Bucks & Does Mystery Night and run our last Intermediate Night of the year, our Drink Around the World Invitational.

Our cart ruling information is posted below but we have seen many instances of improper cart traffic and/or placement on the course. Please be aware the cart ruling for the day and when you drive to the green, drive your golf cart back to the path/yellow markings and have all (4) wheels on the path.

A few examples of improper driving are: The right side of #6, behind the green on #9, to the left side on #11 or anywhere other than the path on #17.

As always, if you have any questions from what is listed above or below, please call the Golf Shop or email me.

We hope to see you out on the course!

Course Information

Please be aware of our golf cart rules for each day's play. These are posted in the top plaque of the cart as well as the sign by #1 tee. Yellow lines have been painted on the cart path of each hole. When you see these lines, please return your cart to the path. All carts are to remain on the path on all par 3's. The following days the Golf Course will be closed and/or tee times will be blocked until later in the day for events/outings.

Local Rules (2021)

These rules are as follow:

Stroke and Distance-Out of Bounds:

The club has adopted this USGA suggestion for out of bounds and a detailed description will be posted on the

bulletin board and in the locker rooms. If you hit your ball out of bounds or end up losing a ball, you may take stroke and distance on the course, rather than from the tee box. You must decide where your ball went out of bounds or is likely to be lost, find the nearest edge of the fairway, no closer to the hole and drop your ball within two club lengths. You may drop your ball in the actual fairway, and you will be hitting your fourth(4th) stroke. The goal will be to increase pace of play.

Out of Bounds on holes #5 & #17:

The out of bounds stakes are no longer and the inside edge of the fence post will act as the out of bounds. A ball is out of bounds when all the ball is outside the edge of the fence.

Modified Ground Under Repair on #1

& #2: The rough area in between holes #1 & #2, up until the 100-yard marker will be deemed Ground Under Repair. The rule will be modified as you may find the nearest "good lie" and place your ball. This rule will be in effect to limit hitting tree roots and rocks left behind from the tree removal project.

If you have any questions about what is listed above, questions about new product for the year, corporate orders, or anything else, feel free to shoot me an email.
