

From The GM

William Elliott, General Manager

As another season comes to a close, I'd like to thank the LCC membership and staff for all their support. It was an exciting year with new events like Glow Ball and fresh faces for entertainment. Family Fun Day returned and in lieu of the Wine Fest we held an evening performance by the Westmoreland Symphony. The golf season was topped off with Ray's Revenge that I (begrudgingly) congratulate the grounds crew (Jim, Ray and Lester) winning over myself, Sean and Jesse.

Looking forward to 2022, we'll be spending the winter working on more new events or finding exciting ways to hold our standard events, as well as our usual winter upkeep and menu planning.

Thank you again for bearing with us through another tough year with labor, food and merchandise shortages or disruptions, and of course, Covid-19. We hope things are in a better place come spring and we can offer the full LCC experience once again.

Even through the roughest years, having the LCC family helps us weather all storms. Over 65% of our membership have reupped for next year at the time of this writing, our highest percentage of prepaids by far since we started keeping track in 2006. It's a testament to our membership, and that support allows us to do what we need to do to make LCC the best that it can be for all our members.

I look forward to seeing everyone before the end of the year, but if I don't see you personally, please have a Happy Holiday and New Year!

The Board would like to recognize the passing of long-time member, Richard McIntire. Our deepest condolences to his wife, Joyce McIntire, and his family.

Annual Holiday Staff Gift Fund

It's time once again for LCC's annual holiday tradition of showing our wonderful Wait Staff, Kitchen Staff, Grounds Crew, & Pro Shop team just how much we appreciate all their hard work.

We are currently accepting monetary gifts from members that would like to give a special thanks to our non-management employees. The money collected will be divided among our 29 full and part-time staff members.

Please note that all gift checks must be written separately from payments for monthly dues/bills and must be received by December 15th. Furthermore, please indicate on that separate check that you wish it to go to our Staff Gift Fund so it is allocated correctly. (Checks are not deposited until December.)

Thank You and Happy Holidays!

From the Social Committee

Karen Hough, Social Chair

12th Annual Turkey Trot

For 11 years, our local merchants have graciously donated items and gift certificates to make it possible for us to raise money for the Ligonier Food Pantry through the Turkey Trot Basket Raffle. This year, however, it would be difficult to ask merchants for donations from small businesses whose own business may be struggling to survive.

So, we asked our members to support this fund raiser by making monetary donations, thereby allowing us to purchase items from each store to create the baskets. With member donations in hand, Leah Kappel and Bill Elliott hit the pavement seeking donations and making purchases from our local merchants.

Thank you to our merchants who once again donated to the Turkey Trot. Also, a big THANK YOU to our members, who went above and beyond our expectations with monetary donations, food donations and basket donations! We are truly grateful.

As a result of our efforts, the Turkey Trot was a HUGE success!! Here are the numbers:

- 48 Baskets
- At least 25 Bags of non-perishable food items will be donated to the food bank so far
- \$2,490 check will be donated to the food bank

Congratulations to our lucky members who won a basket or two!!

ORANGE WHIP

Do you feel we may be inside most of the Winter? Do you wish you could work on your golf game and get instant feedback? You may have seen many members and Sean swinging a club that looked like an orange ball on a stick.... well, you are correct and that was the Orange Whip. What is the Orange Whip you say?

The Orange Whip is a swing trainer that promotes balance, tempo, and swing plane training. Whether you are a Tour Player or a beginning golfer, using the Orange Whip Trainer allows you to feel if your swing is in rhythm and balance. Providing a low impact workout, the Orange Whip Trainer will increase your flexibility and strengthen your golf muscles.

Three key components that make up the patented design of the Orange Whip Trainer: a weighted orange ball, a counterweight, and a very flexible shaft. The orange ball replaces the club head and allows you to focus on swinging naturally without worrying about the position of the club face. It is weighted to promote a fluid swinging motion rather than a jerky hitting motion. The counterweight balances the Orange Whip, stabilizing your swing from the start through the finish. It is essential in providing critical feedback on whether you are loading and unloading the golf club properly.

Retail Price:

Trainer & Compact- \$109

Knaus Special- \$99
