

### From The Board

**Kristen Obush, Club President**

On behalf of the Board of Governors, I like to extend a big thank you to our members for their patience and understanding over the last 15 months. We are not clear of Covid-19 just yet, but the end does seem to (hopefully) be near. The pandemic plus the current staffing situation across the country continues to make our staff work extra hard to serve you and try their best to meet the expectations of all different kinds of people. Thank you for continuing to be patient as they continue to navigate what seems like endless challenges right now. Please join us in thanking our dedicated staff and welcoming the new faces as they come, and hopefully there are more soon. Again, if you know anyone looking for a position, please speak to Bill.

### Ladies' Golf News

**Barbara Sloan**

It had to happen. The original open day of May 3 was rained out. The scramble event took place the following Tuesday, May 11. The results were:

1st Place Team: 54

Karen Thompson, JoAn

Treskovich, Barbara Sloan, Becky DeMuth

2nd Place Team: 61

Karen Hough, Cindy Socio, Enis Cassill

3rd Place Team: 63

Darlene Elliott, Denise Smail, Robin

Giunta, Sherry O'Halloran

Beat the Pro, originally scheduled for May 11, will be played later in the season in place of one of the no gadget days.

Our opening day dinner was held on May

Summer is trying hard to arrive. I encourage you all to explore the newsletter to learn about all kinds of upcoming member and member-sponsored events and to take note of any dining or golf course restrictions due to them. We have a great schedule events and should have something for everyone!

And soon, we'll have another activity for you all! A Pickleball Court!

If you haven't noticed it yet, it is between the parking lot and our tree line border. The asphalt has been laid and seed planted around it. We will let you know all the particulars later this month as we wait for the asphalt to cure and seed to grow. Please be sure to stay away from the area until further notice.

14. Many thanks to Denise Smail for organizing the event.

The Mystery Hole game was played on May 25. It was an individual net event with three mystery holes thrown out by the Pro.

1st Place tie:

Karen Hough net 60 (Mystery Holes 3, 10, 13)

Darlene Elliott net 60 (Mystery Holes 3, 12, 15)

3rd Place: Karen Thompson net 66 (Mystery Holes 3, 12, 15)

The 9-Holers played best net. Barbara Sloan and Dottie Lynch tied at 42. Barbara Sloan won on a card playoff.

The special event this month is the King & Queens hosted on June 8 by Pat Warren. Please sign up in the Pro Shop.

**First Responder Thank You Outing** – On Monday, May 10, the Club hosted approximately 90 local first responders (EMT, Police and County Coroner) as a way to show our appreciation for their tireless efforts in the battle against Covid 19. While the course was very wet and the day rather cool, our First Responders were grateful for our generosity. We would like to thank Sheetz for providing breakfast donuts, Chick-fil-A for lunch sandwiches and many local businesses for their raffle prize donations. A big thank you is also in order for our members who volunteered throughout the day to ensure a successful outing. The outing raised about \$3,500 benefiting the "Shop With a Cop" program and the family of Mike Reese, former PA State Representative, who recently passed away at the age of 42.

**New Member Ambassador Program** - is a program designed to introduce new members to longer-term members to help new members feel more comfortable and at home at the Club. Their first official Ambassador event was conducted on Friday evening, May 7. The event was a New Member Meet & Greet held in the Pavilion and approximately 50 members attended. The evening was a great success!! A big thank you to the Board of Directors, our Ambassadors, and the Management Team of Ligonier for hosting the event. If you see a new face at the Club, please don't be afraid to introduce yourself, you may just make a new friend.

From the Pro  
**Sean Knaus, Club PGA Pro**

Dear Members,

The Golf Season is in full swing and we have enjoyed some fantastic weather. It's hard to believe it is already June and we are just getting started with events. In May, we had our Opening Day, Pups Paws & Pars, Bucks & Does, Intermediate Night and our first Family Fun Night.

As you read below, you will see details for the month of June regarding upcoming events that will affect play, new events, Junior Golf and much more!

One thing we strive to do, is come up with new, fun and exciting things for you, the members. If you follow the club on Facebook or the Golf Shop on Instagram, you would have noticed we have developed a segment we are calling, Golf Shop Shorts. This "short" segment focused on the driving range, how to properly practice and take a divot. We plan to do many segments this year on an array of golf topics from club fitting to lesson tips to proper cart driving. The next episode will be coming very shortly but if you missed our first, the links are below. You can click the link or copy and paste these into your website browser.

<https://fb.watch/5KRChxXQ0/>

As always, if you have any questions from what is listed below, please call the Golf Shop or email me. We hope to see you out on the course and now, your smiling faces!

### Course Information

Please be aware of our golf cart rules for each day's play. These are posted in the top plaque of the cart as well as the sign by #1 tee. Yellow lines have been painted on the cart path of each hole. When you see these lines, please return your cart to the path. All carts are to remain on the path on all par 3's. The following days the Golf Course will be closed and/or tee times will be blocked until later in the day for events/outings.

### Local Rules (2021)

These rules are as follow:

#### Stroke and Distance-Out of Bounds:

The club has adopted this USGA suggestion for out of bounds and a detailed description will be posted on the bulletin board and in the locker rooms. If you hit your ball out of bounds or end up losing a ball, you may take stroke and distance on the course, rather than from the tee box. You must decide where your ball went out of bounds or is likely to be lost, find the nearest edge of the fairway, no closer to the hole and drop your ball within two club lengths. You may drop your ball in the actual fairway, and you will be hitting your fourth(4<sup>th</sup>) stroke. The goal will be to increase pace of play.

**Out of Bounds on holes #5 & #17:** The out of bounds stakes are no longer and the inside edge of the fence post will act as the out of bounds. A ball is out of bounds when all the ball is outside the edge of the fence.

#### **Modified Ground Under Repair on #1**

**& #2:** The rough area in between holes #1 & #2, up until the 100-yard marker will be deemed Ground Under Repair. The rule will be modified as you may find the nearest "good lie" and place your ball. This rule will be in effect to limit hitting tree roots and rocks left behind from the tree removal project.

If you have any questions about what is listed above, questions about new product for the year, corporate orders, or anything else, feel free to shoot me an email.
