

From The Board
Kristen Obush, Club President
Welcome Back!

We're excited for a great 2021 season to begin, crossing our fingers for an early spring. Managers and committees have been working hard to bring you new items, events and programs this year, while ensuring that all areas of the club remain safe.

This newsletter is packed with information so please take a moment to read through carefully and check out all the links.

Depending on how early you visit the club, you may notice some work in the median of the entrance way. With the help of Tanager Gardens and Landscapes, we're transforming the entrance area, with a focus on indigenous trees and plants that will add beauty year-round.

2021 Reopening Guidelines

Despite the arrival of the Covid-19 vaccine, the following policies are still in effect for the foreseeable future:

Masks must be worn at all times while moving around the facilities except while seated and dining or on the course (even if you have received the vaccine)

Please remember to practice social distancing at all times

We have voluntarily signed an agreement with the state to be allowed at this percentage and will follow all guidelines to keep you, your families, and our staff as safe as possible. We are also reducing our operational hours to remain cost effective for the club's financial well-being. Thank you in advance for your understanding. Please read the below guidelines carefully:

The Clubhouse is scheduled to reopen March 10th for dining at 50%.

Reservations are Required by 4:00 pm

Wednesdays to Saturdays 12 pm to 8 pm

with last reservation at 7:30 pm

(Closed Mondays and Tuesdays except for Tuesday, March 30th)

724-238-7620 ext 2-2 (During operational hours only)

- Make your reservation early. Any night has the potential to fill up quickly.
- We can seat 65 people throughout the 3 dining areas, so though you may request which room you'd like to sit in, your party number and time of reservation may dictate your table location.
- Tables will be spaced 6 feet apart. Do not move them.
- Parties of 6 or 8 will be seated in the ballroom. Parties larger than 10 will be seated at multiple tables.
- Consider coming early in the month and for an earlier dinner time so you don't run out of days to use your minimum.

We reserve the right to close an hour early if there are no reservations.

Curbside Pickup will be available off the menu.

- You may place your order at any time during the day and specify the time of pickup. Curbside may not be available after 6 pm on busy nights.
- A heat and serve menu will continue to be available as well. These items will need to be ordered 48 **business hours** ahead of pickup.

We are continuing to waive the \$2 to-go fee through March.

Please keep your visit to under 1 ½ hours.

- The essence of the guidelines is to discourage mingling and to shorten the amount of time of possible exposure.

We also need time to sanitize table and chairs between reservations, so please avoid lingering.

Alcoholic beverages may only be purchased with meal or for take home (until State determines otherwise)

The clubhouse will be disinfected daily and highly touched areas disinfected hourly.

Reference our [Blog](#) for any other state or CDC guidelines not included above.

The outdoor facility will open May or as the weather allows.

You are permitted to order your food and beverages for take out and sit on the patio when the weather allows.

The updated hole rankings and course ratings will be posted on the bulletin board as well as the new scorecards arriving in April.

If you have any questions about what is listed above, questions about new product for the year, corporate orders, or anything else, feel free to shoot me an email. Stay safe, wishing everyone well and we hope to see you very soon.
