

Dear Members,

October 2023

The colder temperatures have arrived and soon we will see the spectacular fall foliage at LCC. Although the temperatures will start to fall and the nights will be shorter, there is still many days of Golf to play. The greens have healed perfectly from aerification, and they will only get better.

September had its ups and downs, but our 5-Person Scramble was once again a hit. Sean's Folds of Honor Marathon went as planned and he was able to get 100 holes and raise another \$1,000 for the foundation! We also had our first ever, Golf & Gun Bash, that was a huge favorite and will be back in 2024.

As said, October is a beautiful month to play so don't put those clubs away yet, especially as we have our, maybe, favorite event of the year, Ray's Revenge! This event is a must play.

Don't forget, this is the time to start thinking about those holidays' gifts. If you have something in mind for that special someone, the Golf Shop can cater to your needs. Be sure to check out the below sections with some great holiday gift ideas, including the G-Tech Warming Pouch & NEW, G-Tech warming Vest.
