The Ligonier Links

President's News March 2024

Come one, Come all! Welcome back members! Ligonier's opening is right around the corner! We hope you had a wonderful holiday season and are ready to join us at LCC again for another fun filled golf season! Our house staff and grounds crew has been very busy making changes around LCC and we are very excited to share them with you!

We have many exciting changes coming this year and we hope they bring you as much excitement as they have already brought us during the off season! LCC has had several renovations during the off season, some small and several not so small. First and foremost, our Ladies will notice a newly renovated Ladies Locker Room! We're very excited for the ladies to get this new and improved space and hope they enjoy it for more than just a locker room! Our crews have been busy making the locker room look like something right out of an HGTV magazine. We did all of the work in house and our team has put in countless hours renovating the restrooms, showers, all new floors, ceilings, lockers and so much more! It is even going to have a new make up station and a couple more surprises for the ladies! Aside from the beautiful exterior, we have also replaced the HVAC in both locker rooms. This should help keep that area more comfortable while also helping the upstairs dining area regulate temperature as well.

Staying inside the building, members will have a slight upgrade to their dining experience as well! We have done a full renovation/upgrade to our draft beer system! Members and guest will have 6 draft options to choose from as well as a new mug chiller to keep their draft beers cold! While upgrading the draft system, we have also moved the cake cooler and waitress station so that counter can now be a to-go pick up station as well as a six pack pick up location for golfers on the course! We've also added a three high top tables along the windows on the far end of the grill room for more seating options! We were so busy inside, I almost forgot! We have added a small draft system in the pavilion so members can enjoy their draft beers outside as well!

Golfers, don't worry we have you covered as well! Our grounds crew along with the help and direction of Dave Lincoln, have been busy making renovations on the golf course! Once on the course, you'll first notice the changes to the bunkers on #4!

Dave Lincoln played in the dirt and created a really cool bunker complex. #4 bunker was our biggest problem child when it came to water drainage and washing out after a heavy rain. Crews would spend an entire hour on that one bunker, draining it and raking it back into shape. The board recognized this as a problem area from cost and time so we put Dave to work! Dave split the one large bunker into two and added additional drainage to help keep them in shape even after a heavy rain. He also added a walk way between the two bunkers that will act as a collection area for any balls that miss the green short left outside of the bunkers. Dave also added some mounding around the bunker complex to help distribute water away from the traps to further enhance our water drainage. They gave the hole an entirely new look!

You will also notice a big update as you pull into the club along #17. This hole has been described by many as a pedestrian looking hole as it doesn't have a "Wow" factor as you pull into the club. We heard the comments and ideas and decided you were right and wanted to give the hole a facelift! As you pull up to the club, you will now see a hole that offers beauty and excitement of what lays ahead during your round of golf! Dave Lincoln has added two new bunkers making it a very interesting green/bunker complex! In the front right, golfers will have to navigate a large sweeping bunker that will swallow any shots that are missed short and right of the green. Is hitting it long the play so you avoid that bunker? Not so much! A mounded, pot bunker is lying in wait for any balls that golfers hit long left as well! Tournaments will be very interesting coming down the stretch with these bunkers!

Last but certainly not least, we have switched software companies and with that comes a refreshed website and New APP! Please be sure to visit our website and check out our new updates! We wanted a new member portal that was easier to use for members but also more welcoming for guests that are coming to play our course or enjoy a party at the club! Don't get online very often? We have also created a new LCC App! Please check your emails for more information on how to download it and get set up! It comes with everything that is included on our website as well as a spot to book tee times, weather updates and even a Course GPS! It's really cool!

In January, the board sat down with about 40 members that were randomly selected by our online membership program to discuss everything LCC. We discussed topics such as the golf course, events, membership ideas and much more! The board wanted to get a feel from the membership as to how the membership viewed the club, what they do or don't like, what they would change or not change as well as ideas for future years to help improve LCC for years to come! The board has compiled a list of every single suggestion, idea and note from that meeting and will organize the list so that we can slowly start checking items off that list as time and money permits! While we can not reach every single topic that was discussed, the board will do it's best to chip away at the list the best we can! We wanted the membership to be heard and truly have a voice in the club and we hope that was conveyed during this meeting! We want to make sure we are pushing the club in a direction that benefits all members, not just a specific group and the easiest way to do that was this meeting! We gathered lots of great ideas and look forward to making as many happen as possible!

We will be kicking off the golf season with our first event of the year, The Shamrock Open! Come test your luck in our Saint Patrick's themed event on

March 16 ! This is always a fun event to open the golf season!

Lastly, please join us on March 31st, for our Easter Brunch! We will be serving from 11am to 3pm! Reservations are filling fast! Please email Michael at Michael@ligoniercountryclub.com or please call ext 6 to make your reservations! It will be a hopping good time!

Calling All Ladies

CALLING ALL LADY GOLF MEMBERS

LCC lady golf members who are not members of the Ladies Golf Association are invited to play in the opening day scramble ON April 30 and/or to join us for dinner on May 2. These are opportunities to learn about our events and activities. Even if you work and cannot play on Tuesdays, there is a way your weekend play can allow you to compete in events. We have 18-hole players and hope to reestablish a 9-hole group. Players use both the red and orange tees so there is something for all abilities. Plus, we have set tees times for Thursdays and the weekend so you can always find a group to play with.
