## INTRODUCTION

Outlined in the following pages are the Rules and Regulations of Ligonier Country Club established by the club management and Board of Governors. It is the club members and all club guests' responsibility to be familiar with and abide by all club rules and regulations. The Rules and Regulations detailed below apply to all full-time Golf Members, Social, Evening, Junior, and any Guest and Outside Party individuals who are on the Ligonier Country Club's (LCC) property.

LCC does not discriminate based on race, religion, sex, sexual orientation or any other such factors when accepting membership applications. Membership may be denied for other reasons during the application process such as past issues at this or other clubs, or through valid objections by existing members.

As a member, by signing the membership application and by continuing payment of yearly dues, LCC members have agreed to be governed by the Club's Bylaws and these Rules and Regulations.

Members are responsible for familiarizing themselves with the rules and any updates that often occur on a yearly basis.

It is the duty of all LCC Board Members and staff to enforce these rules. Any repeated or blatant offense to these rules will result in disciplinary actions, including but not limited to reprimand, suspension of privileges and/or expulsion.

## Behavior Policy

The Board of Governors will be assisted by the General Manager in their efforts to make Ligonier Country Club a positive experience, a peaceful place and a comfortable atmosphere for our members and guests to enjoy. To ensure a peaceful atmosphere for all, LCC will not tolerate any behavior, verbal or nonverbal, by any individual (LCC members, family members, guests, or public patrons) on the premises of the Club that is considered to be inappropriate, abusive, verbally and/or physically threatening towards another person, their property, or property of the Club. Any violations reported to the General Manager will be directed to the Board of Governors or can be reported to the Board by any member.

Such behavior will be considered a violation of these Rules and Regulations and/or the Bylaws of the Club. Appropriate action, as defined within the Bylaws, Article VII, Section 7, Reprimand, Suspension and Expulsion will be followed. Assaults toward and/or upon another person or any property will result in immediate suspension and/or expulsion by the Board. Legal authorities will be contacted for removal from the Clubs' premises, if warranted.

Ligonier Country Club Premises are under video surveillance 24/7.

## Harassment and Sexual Misconduct

The safety of our members and staff is of the utmost importance.

Inappropriate actions of members, guests or employees should always be reported to management or the Board of Directors.

- No one has the right to harass our members or employees, sexually or otherwise. Any person on LCC property who is found guilty of serious harassment will be expelled. Also, if representatives of our contractors or vendors harass our members or employees, we will demand that the company they work for takes disciplinary action and/or refuse to work with this person in the future.
- Sexual harassment is never too minor to be dealt with. We will hear every claim and punish offenders appropriately.
- Harassment is about how we make others feel. Many do not consider behaviors like flirting or sexual comments to be sexual harassment, thinking they are too innocent to be labeled that way. But, if something you do makes others uncomfortable, or makes them feel unsafe, you must stop. Our staff is encouraged to dissuade or report behavior that makes them uncomfortable.
- We assume every sexual harassment claim is legitimate unless proven otherwise. We listen to victims of sexual harassment and always conduct our investigations properly. Occasional false reports do not undermine this principle.
- We will not allow further victimization of harassed members or employees. We will fully support those who were harassed and will not take or allow any adverse action against them.
- Those who support or overlook sexual harassment are as much at fault as offenders. Anyone who witnesses an incident of sexual harassment or has other kinds of proof should report it to management or the Board of Governors.

If you are being harassed (or suspect another person is being harassed), please report it to a manager. In serious cases like sexual assault, please call the police and inform us that you plan to press charges. We acknowledge it's often hard to come forward about these issues, but we need your help to build a fair and safe workplace for you and your colleagues. If you feel your claim has not been heard, contact the next level up of management or the Board of Governors.

## Discipline Policy

1. Members are responsible for their own conduct and for the conduct of their family members and guests. Any member whose conduct or whose family's or guest's conduct shall be deemed by the Club to be improper or likely to endanger the welfare, safety, harmony or good reputation of the Club or its members, may be reprimanded, good reputation of the Club or its members, but will include: (i) failure to meet eligibility for membership; (ii) submitting false information on the application for membership; (iii) misrepresenting a non-member as a member; (iv) failure to pay the required membership dues, fees and charges or any outstanding balance on the member's Club account in a proper and timely manner; (v) failure to abide by the rules and regulations as set forth herein and as established by the Club; or (vi) abusing Club personnel or employees.

### Golf Course

The course is officially open from March 1st through November 30th. Scores are expected to be posted from April 1st to November 14th. No golfers are allowed on the course before the official starting time.

All players must be familiar with the Rules, Regulations, and Etiquette of Golf and observe them at all times. USGA Rules govern all play, except as modified by local rules posted on the Score Card, at the Pro Shop or at the #1 Tee.

## Cart Barn and Storage

The cart barn will be manned/monitored until dusk or until the final carts are returned for the day. All carts are to be returned to the cart barn or a designated area upon completion of the round. Any damage or mechanical problems must be reported at this time.

Members and/or guests are not permitted in the cart barn.

Members and their guests are reminded that neither Ligonier Country Club nor its Club Professional is financially responsible or liable for property kept or stored in the Clubhouse, Cart Barn or Pro Shop. It is suggested that members check with their insurance agents to be certain that these are covered in case of fire, theft, or other loss.

## Tee Times

### Starting Time Reservations

Starting times will be observed between the hours of 8 a.m. and 6 p.m. on all weekdays, Saturdays, Sundays, and holidays. Tee times are always required.

General start times will be as follows but may be adjusted according to weather.

May - August	8:00 am Mon-Fri	7:00 am Sat/Sun/Holidays
September, October	8:30 am Mon-Fri	7:30 am Sat/Sun/Holidays
March, April, November	9:00 am Mon-Fri	8:30 am Sat/Sun/Holidays

### Cancellation of a Tee Time

Please be sure to notify the Pro Shop if you are unable to make your starting time. Anyone who habitually does not show up or call to cancel a starting time will lose the right to reserve a starting time.

### Online Reservations/Cancellations

Online tee time reservations are available. Reservations will be available two weeks out at a time, which may be adjusted by the shop at any time to suit business. You can also see any upcoming tee times within 2 weeks.

Tee times can be canceled online up to two hours prior to start time. The club reserves the right to institute a late cancellation policy or fee at any time.

## Cancellation Notice of Club Event

There will be a 48-hour cancellation notice required for all club events. If we do not receive your notice in advance, you may be charged in full for the event according to your reservation.

## Golf Groups

Golf Groups may arrange for a block of times for their group on Saturdays and Sundays. Each group must provide a definitive number of golfers with member names to the pro shop or via online tee times by 1:00 pm Wednesday of the given week, so that unused time slots may be opened to the rest of the golfing membership. The golf shop will work with group “captains” to make this process as easy as possible.

Groups are asked to make foursomes, rather than all threesomes to help accommodate the entire membership. Open tee times may be booked if additional time is needed, but it cannot be used as a placeholder.

## Golf Course Maintenance

To ensure optimal playing conditions, it is absolutely essential that all members and their guests respect the golf course and the grounds maintenance crews.

It is the responsibility of each member and their guest(s) to maintain or improve course conditions during play. Ball marks found on the greens are to be repaired. Divots in the fairway are to be repaired or replaced. Bunkers are to be raked after playing from one, and the rakes are to be left outside the bunkers, preferably to the side or rear of the bunker, not between the bunker and the green.

Under some circumstances, it may be necessary to interrupt play for course maintenance activities. Be mindful of employees’ safety as you play through.

When the range is closed for maintenance, no practicing is permitted until the range is reopened.

## Handicaps

All handicaps will be assigned according to USGA procedure. Each player is responsible for correctly and promptly entering his/her score after completion of each round. The player will enter each adjusted score into the computer to tabulate handicaps. If scores are not reported in fourteen days, the golfer will receive par of that day. The Pro Shop will assist you in this process.

Ligonier Country Club is a part of the Golf Handicap Information Network (GHIN). Please inform the staff of your intention to establish a handicap. If one exists at another club, please tell the staff and they will check if you need to pay a second fee or not. Active members are billed March 31st according to the previous year’s usage list.

## Lightning

When weather, capable of producing lightning, approaches the area, all golfers should use extreme caution. If a lightning storm is imminent, the golf staff will sound a siren. When the siren sounds, all golfers are required to leave the course or seek shelter immediately. Golf carts are not lightning proof. Do not shelter under a tree as they conduct lightning to the ground.

Outside activities may resume when authorized by the Pro Shop staff. Golfers, resuming play, are expected to immediately return to the course at their previous location and resume play. Golfers not abiding by this will lose their position on the course. Please also note that lightning is difficult to predict and the lack of a siren warning on any occasion is no assurance of safety against lightning.

## Music

Golfers are permitted to play music on the golf course provided it is in agreement within your golfing group and cannot be heard by another group.

## Pace of Play

Golfers are expected to play in a timely manner. It is expected that players will complete nine holes in two (2) hours or less, and eighteen holes in (4) four hours, fifteen (15) minutes. No more than three (3) minutes is permitted for searching for a ball. Slow players are expected to permit a trailing group to play through, provided that the next hole is open. Slow play can be a problem, and it is important to remember that it is the pace of play, not the time it takes to proceed to the next tee if they have become more than a hole behind the group ahead.

On weekends and other selected days, each group will be timed. Any group taking more than four (4) hours five (15) minutes [4:15] and is not keeping up with the previous group, will be issued a warning letter. Repeated violations of Pace of Play may result in the loss of weekend playing privileges.

Remember to stay right behind the group in front of you, not just ahead of the group behind you.

## Practice Range

Before proceeding to the range, please check in with the Pro Shop. Weather conditions may dictate the closing of the practice facility at any time.

Only golf balls provided through the Pro Shop either through direct purchase by the bag or yearly pass can be used at the Range, unless the range is provided as part of an event. Players may take a cart to the range, if one is available; you must receive a cart key from the shop.

The Range is included with all golf memberships. Social members and guests may purchase a day pass or yearly pass from the pro shop.

Note: To ensure safety of golfers on holes 12, 14 and 15, maximum carry distance is limited to 200 yards.

## Hours of Operation

- From April 15th through October 31st the Practice Range is open during shop hours.
- During summer hours, the range closes at 5:00 pm on Wednesday and Sunday evenings in preparation for maintenance the following day. The range reopens at 9:30 am the following morning or after maintenance is completed.

## Non-Member Golf Events (Outside Parties)

The request should include the number of guests, the meal(s) desired, and the starting times required. With the Board's approval, it will be the General Manager's and the Club

Professional's responsibility to make the proper arrangements for the outing. All outside parties must conform to Ligonier Country Club dress code, soft spikes rule, and etiquette as outlined in the guidelines. Pricing is set forth yearly for golf and dining fees.

## Tri-County Association

The Tri-County Association consists of a number of private country clubs in the area. The clubs allow reciprocity among all other member clubs. See [tricitygolf.com](http://tricitygolf.com) for more details.

2. The LCC professional or shop staff must call to set up tee-times for full golfing members of LCC at Tri County clubs.
3. Green and cart fees will be billed to your account at LCC, or may be paid with credit card or cash to the visited club.

5. If any LCC full golfing members wishes to entertain a guest at one of the Tri-county clubs, they must inform our professional staff so that proper arrangements and fees can be determined.

Other club reciprocity is arranged with area clubs; speak to the Pro to make arrangements.

Only the cost of food and beverage will count towards this amount: the check's subtotal before to go charges, tax and gratuity. Food and beverage purchases in the Clubhouse, at the outside facility, and for club events contribute to the monthly total. Unused minimum will be assessed to the monthly bill after closing on the last day of the month.

Members participating in a non-club event cannot have the cost of their meal deducted from their club minimum. Only in the case that they are the host and the entire bill is being charged to their account will this be allowed.

## Minimum Rollover Policy

In order to accommodate those members who are away from the area in the winter months, and in recognizing that life is unpredictable, Ligonier Country Club permits its members to "roll" one month's minimum into another month.

The TOTAL minimum for one month may be combined with the TOTAL minimum for another month.

In order to ensure the Minimum Rollover Policy continues, please follow the guidelines shown below:

1. A rollover request must be in writing and sent to the office via mail, email, or fax. The request must be received at least one month before the months affected by the rollover.
2. For unexpected/late requests: the request must be submitted before the 15th if you want the current month to be rolled into the next. (Example: if it is October, and you need to roll October into November, the request must be received by October 15th.) Requests received within the last 15 days of the month will be rejected.
3. Rollovers cannot cross into the next year. If you plan to be gone in November or December, plan accordingly by requesting a roll back into September or October.
4. Two or more months may not be rolled into another; only one month into one other month. For example, March and April cannot be rolled into May; BUT, March can be rolled into May, and April into June.
5. Lastly, presence in the clubhouse during a rolled month voids the rollover.

## Take-Out Orders

We are not permitted to allow uncooked meat to be sold as take-out. Alcoholic beverages are not allowed to leave the club's premises at any time according to our liquor license. (This later rule was suspended by the PLCB in 2020, but may be reinstated by the state at any time.)

A to-go fee is assessed on to-go orders to cover the cost of packaging; this fee does not count towards the minimum.

Club management reserves the right to limit or suspend the taking of to-go orders during busy dining times to best accommodate members present in the clubhouse.

## Proprietary Memberships

Proprietary memberships, when available, cost \$500. Only full golfing members with at least one year and in good standing are eligible. This stock must be surrendered within one year after resignation as a golfing member from Ligonier Country Club and will be redeemed for the price paid as stated on the share certificate.
