## The Ligonier Links

Vol. 5

**President's News July 2025** *James Sarver*

Dear Members,

As summer hits full stride here at Ligonier Country Club, I'm thrilled to share some of the exciting events and happenings lined up this month—and beyond. Whether you're on the course, courts, or clubhouse, there's truly something for everyone to enjoy. Let's dive into the highlights!

### Upcoming July Events

#### Couples Series – Thursday, July 3rd

Kick off the holiday weekend with some friendly competition and fun on the course! Our Couple's Series is a perfect way to team up, enjoy the summer sun, and unwind with fellow members afterward.

#### Ladies Jamboree – Wednesday, July 9th

Ladies, this one's for you! Join us for a spirited day of golf, camaraderie, and maybe a little friendly rivalry. It's always a fun tradition and a wonderful way to celebrate women in golf.

#### Scotch and Cigar Night – Saturday, July 12th

Back by popular demand! Join us under the stars for a relaxed evening featuring premium scotch tastings, hand-rolled cigars, and the kind of conversation that only happens at LCC.

#### Learn to Dance – Thursday, July 17th

No experience needed—just a desire to move and have fun! Whether you're prepping for a wedding or just want to add a little swing to your step, this dance night is always a blast.

#### Happy Gilmore Night – Saturday, July 19th

A club favorite! Dress the part, swing like Happy, and bring your best (or worst!) golf antics to this lighthearted event. Prizes, laughs, and a whole lot of fun guaranteed.

### Looking Ahead: Member-Member Tournament Saturday & Sunday, August 2nd–3rd

Mark your calendars now! The 2025 **Member-Member Tournament** is shaping up to be one of the best yet. From the competition to the camaraderie, this is a weekend that defines who we are as a club. More details to come, but be sure to save the date.

Thank you to our wonderful staff keeping the golf course in immaculate condition even with all of the rain we have received this year! The grounds crew has completed our sprinkler head renovation that we started last year. Over 400 sprinkler heads have been replaced and/or added to the course so we can have better water coverage on the grounds. This was no small feat, and I cannot thank our grounds crew enough for pushing through the weather challenges to get that completed!

Thanks to Bill and our house staff as they continue to prepare delicious meals for our members even in this treacherous heat which makes the kitchen even hotter! Our weekly Centennial Cash drawing has been a huge hit for members and continues to draw large crowds into the clubhouse. Our staff has handled these larger than normal crowds with tremendous success and continues to serve members at an elite level. Thank you so much to our house and kitchen staff for all of your efforts!

As always, thank you for your continued support, enthusiasm, and commitment to making Ligonier Country Club a place we're all proud to call our home away from home. Thanks to our wonderful membership for spreading the word about our club! We have successfully added so many new members that we will be going to a waitlist as of July 1<sup>st</sup>! Whether you're here for the golf, the friendships, or the food (and maybe a little bit of everything!), we can't wait to see you around the club.

Wishing you and your family a safe, joyful, and event-filled July.

Warm regards,  
**Jim Sarver**  
President, Ligonier Country Club

## SCOTCH AND CIGAR NIGHT

JULY 12TH

Andrew Peary and Robert Bain founded Milntonduff distillery in 1824. The distillery had previously operated illicitly on the site since the turning of the century, but following the passing of the Exercise Act, Peary and Bain established the distillery as a legitimate business operation. After debuting to a successful start in 1866, the distillery was purchased by William Stuart. In 1895 Thomas Yool & Company became part owners of the site, and a few years later Yool went on to completely control the distillery.

### Ladies Golf News July 2025 *Barbara Sloan*

We managed to play all the gadgets this month, avoiding the rain and sweltering under the heat dome.

The Best 2 of 4 was changed to the Best 1 ball due to the uneven number of players to organize into foursomes. Even so, the one foursome group sone:

Cindy Bode, Jan Litrun, Sherry O'Halloran, Enis Cassill

One of the highlight events of the season, King & Queens, was played on June 17.

The gadget is the net score of the King and the best net of his three Queens.

Thanks to all the Kings who volunteered:

Ed Elliott, Bill Hough, Bob Giunta, Mike Goerlich, Joe Griffith, and Stan Treskovich.  
We appreciate all the effort that Pat Warren puts into making this happen.

Bill Hough, Darlene Elliott, Melane Baraniak and Barbara Sloan won with a net score of 139.

Skill Prizes for the Kings:

Longest Putt Holed #8 Stan Treskovich

Closest to the Hole #11 Ed Elliott

Closest to the Hole #17 Mike Goerlich

Longest Putt Holed #18 Ed Elliott

On a sweltering June 24, "That's Good" was played. A string of the same length was given to each player. If a putt is inside the string length, it is considered made.

1<sup>st</sup> Place: Betty Rosa net 75

2nd Place: Jan Litrun net 76

There are two major events on July 15 and July 22: the Queen Bee played from the red tees and the Lady Bug played from the orange tees. Will JoAn Treskovich retain the crown and rights to the royal wave? Please sign up in Pro Shop.

A reminder that Friend's Day will take place on August 12. Association members may bring up to three guests who are not LCC members or who are LCC Social, Afternoon, or Evening members.

Dear Members,

It's hard to believe the 4<sup>th</sup> of July will be here in a few days. We've had a wild ride in the month of June from blazing hot temperatures to cool days to rain. But, the course is in fantastic shape, and all are enjoying their time here. If for some reason, there is an issue while you are on the Golf Course, please do not take matters in to your own hands. Call the Golf Shop right away, explain the situation in detail and we will handle it. As we head into the season, please remember to take account for our Golf Course Reminders as well which you'll read below.

June was a busy month and one for books as we topped rounds in 2024. We had our Men's Invitational, Al Ludwig Junior Camp, LCC Junior Camp, Islay's Event, Junior League Matches, Ladies Western Day and Six Golf Outings.

The month of July will not disappoint and will be another busy one. See below for member events and such that may affect play.

Our Bucks & Does will bring back the Christmas Spirit and we can't wait to see who dresses their cart the best!

Our Senior Club Championship will be a battle and test all ages skill level

The Happy Gilmore Golf Event will be one for the ages. Nostalgia reincarnated at its best!

### Driving Range Information

Throughout the season, the driving range will close at dusk.

On Wednesday's, the driving range will close at 3:00 pm for clean picking.

On Thursday's the driving range will not open until around 11:00 am so turfgrass can cut the area. The driving range is 180 yards. We will be IRONS ONLY unless supervised/approved by Sean or Bill.

### Lightning Policy

We have upgraded our Lightning Detection System and Siren. Per our insurance policy, the lightning policy will be strictly enforced. We have two sirens that blow when lightning is within our

10-mile radius: one from the clubhouse and one from the turfgrass center. If you hear these sirens, you must stop IMMEDIATELY and seek shelter or return to the clubhouse. Those that do not follow

this policy will be asked to leave the Golf Course and not return.

When weather, capable of producing lightning, approaches the area (within 10 miles), all golfers should use extreme caution. If a lightning storm is imminent, the golf staff will sound like a siren. When the siren sounds, all golfers are required to leave the course or seek shelter immediately. Golf carts are not lightning proof. Do not shelter under a tree as they conduct lightning to the ground.

The following disciplinary action will occur for those found golfing during a lightning warning:

1. Verbal Warning
2. No play for two weeks
3. No play for one month

Outside activities may resume when authorized by the Golf Shop staff after 15 minutes have passed since the last lightning strike. Golfers, resuming play, are expected to immediately return to the course at their previous location and resume play. Golfers not abiding by this will lose their position on the course. Please also note that lightning is difficult to predict and the lack of a siren warning on any occasion is no assurance of safety against lightning. Play is always at your own risk.

### Score Posting- GHIN

Score posting will begin on Tuesday, April 1

You may post scores on the GHIN APP or leave your scorecard with the Golf Shop ALL scores (9 or 18) must be posted the day you play due to the PCC Calculation

You CANNOT post a score if you have played by yourself

During aerification, scores should still be posted per the USGA

See below for example's on how to post scores if you do not finish an entire round.

#### **13 or More Holes:**

When you play 13 or more holes, you must post an 18-hole score, even if you don't complete all 18 holes.

**Holes Not Played:** For the holes you didn't play, you'll score them as "par plus" your course handicap strokes.

**Example:** If you play 14 holes and have a course handicap of 10, you'd score the remaining 4 holes as par plus 1 stroke each (because your course handicap is 10, and you're entitled to 1 stroke per hole).

#### **7 to 12 Holes:**

If you play between 7 and 12 holes, you must post a 9-hole score.

**Holes Not Played:** You'll only post scores for the 9 holes you played, and the remaining holes are disregarded for handicap purpose

## Stroke & Distance Rule

- 
- play. THIS CANNOT BE USED DURING TOURNAMENTS

### Local Rule— Stroke and Distance (Out of Bounds or Lost Ball)

"When a player's ball has not been found or is known or virtually certain to be out of bounds, the player may proceed as follows rather than proceeding under stroke and distance.

For **TWO** penalty strokes, the player may take relief by dropping the original ball or another ball in this relief area (see Rule 14.3): Two Estimated Reference Points:

**Ball Reference Point:** The point where the original ball is estimated to have

- Come to rest on the course, or
- Last crossed the edge of the course boundary to go out of bounds.

**Fairway Reference Point:** The point of fairway of the hole being played that is nearest to the ball reference point, but is not nearer the hole than the ball reference point.

For purposes of this Local Rule, "fairway" means any area of grass in the general area that is cut to fairway height or less. If a ball is estimated to be lost on the course or last crossed the edge of the course boundary short of the fairway, the fairway reference point may be a grass path or a teeing ground for the hole being played cut to fairway height or less.

**Size of Relief Area Based on Reference Points, anywhere between:**

- A line from the hole through the ball reference point (and within two club-lengths to the outside of that line), and
- A line from the hole through the fairway reference point (and within two club-lengths to the fairway side of that line). But with these limits: Limits on Location of Relief Area:
- Must be in the general area, and must not be nearer the hole than the ball reference point.

Once the player puts a ball in play under this Local Rule:

**The original ball that was lost or out of bounds is no longer in play and must not be played.**

This is true even if the ball is found on the course before the end of the three-minute search time (see Rule 6.3b). But the player may not use this option to take relief for the original ball when:

- That ball is known or virtually certain to have come to rest in a penalty area, or
- The player has played another ball provisionally under penalty of stroke and distance (see Rule 18.3). A player may use this option to take relief for a provisional ball that has not been found or is known or virtually certain to be out of bounds.

**THIS RULE WILL NOT BE USED IN COMPETITION OR ANY EVENT**

### GOLF'S NEW RULES: STROKE AND DISTANCE

A new Local Rule provides an alternative to stroke-and-distance relief for a ball that is lost outside a penalty area or out of bounds, effective January 1, 2019.

As always, the Golf Shop is here to help with any questions and fulfill any order that comes. This rule will be used at LCC to speed up daily to mind. For more information or questions about ordering products, please reach out.
