The Ligonier Links

President's News August 2025 *James Sarver*

Dear Members,

I hope this message finds you enjoying a fantastic golf season here at Ligonier Country Club. As we enter the heart of summer, I wanted to take a moment to share a few important updates and thank you for your continued support and enthusiasm for everything that makes our club special.

Supporting One of Our Own: Marlee Miller Donation Drive

First and foremost, I want to express heartfelt gratitude to our incredible membership for rallying behind the donation drive for Marlee Miller. Thanks to your generosity, we've raised **\$5,000** to support Marlee and her family during this time. This truly reflects the spirit and community that define LCC. Thank you for showing what it means to stand together. We will continue to take donations if you haven't had a chance to donate yet!

New Adirondack Chair Seating Area

We've added a new touch of comfort and relaxation with the installation of **Adirondack chair seating** around the **practice green and #1 tee**. Whether you're warming up, waiting to tee off, or simply enjoying a summer evening, we hope this new area offers a perfect spot to unwind and take in the beauty of the course.

Improving the Turn Experience

To help streamline play and reduce backups at the **#10 tee**, we've added a new sign by the **#7 green** reminding golfers to **order food and drinks ahead**. This small change is already making a big difference in keeping the pace of play smooth and your turn-time enjoyable. Thank you for taking a moment to use this feature during your rounds.

Upcoming Events

August 1st and 21st – Six Packs and Skins SWAT

Thank you again for being part of the Ligonier Country Club family. Here's to great golf, good friends, and a strong finish to the season!

Warm regards,

Jim Sarver

Ladies Golf News August 2025 *Barbara Sloan*

Remember last year when there was only one day of rain in all of July and August and no heat domes. Hopefully, this August will be a better month.

The Ribbon Game was scheduled to be played on July 8. Chaos ensued with the number of players and the organization of groups changing prior to play. Foregoing a description of the gadget, it devolved into a two-foursome net event. Rain compounded the problem and only play through hole #15 was used. The winners, by one stroke, were Karen Hough, Linda Boyle, JoAn Treskovich and Sherry O'Halloran.

The next two Tuesdays, July 15 and July 22, were devoted to the Queen Bee and Lady Bug events.

This is a ringer tournament in which players use the best net on each hole over the two days. The Queen Bee was played from the red tees and the Lady Bug from the orange.

The patented royal wave will spend a year in retirement as Carolyn Morford (net 66) edged JoAn Treskovich (net 66) in a card playoff to become the reigning Queen Bee. Pat Warren took the Lady Bug title with a net 66 over her closest competitor Betty Rosa with a net 72. Congratulations to all.

The International Format, originally scheduled for August 5, was played on July 29. Teams were chosen by the Pro Shop. Low net wins with the two best net balls on 4's and 5's and the one best net one on the 3's.

1st Place: Betty Rosa, Pat Warren, Becky DeMuth, Linda Boyle net 127

2nd Place: Jo Treskovich, Robin Giunta, Enis Cassell, Melane Baraniak net 172

Remember that August 12 is Friend's Day. Hosted by Betty Rosa. Members may bring up to three friends and will be responsible for their cart fee and lunch. Please sign up in the Pro Shop.

The Ladies' Classic, hosted by Karen Hough, is planned for August 26. Red tee winners will be the best Gross and Net scores. Orange tee winner will be the best Net score. Sign up in the Pro Shop.

From the Pro August 2025 Sean Knaus

Dear Members,

I feel like I just wrote the July newsletter and here we are, into August. As Summer winds down, August at Ligonier does not. We have a full list of Member events, skins, couples and outings yet to come. Please be sure to read below and see where these events may conflict with Golf Course play.

Even though August is packed, July did not disappoint. We're up in rounds for the year and had a few great events, that included our Couples Christmas in July, One-of-a-kind Happy Gilmore event and the Senior Club Championship.

See below for member events and such that may affect play.

- The Member-Member bring back the past as we celebrate 100 years
- The Club Championship will test all skill levels and we can't wait to see who prevails
- The always Sold Out, 5-Person Scramble, is one of the best events. Don't wait to long or you'll be on the wait list!

Driving Range Information

- Throughout the season, the driving range will close at dusk.
- On Wednesday's, the driving range will close at 3:00 pm for clean picking.

- On Thursday's the driving range will not open until around 11:00 am so turfgrass can cut the area.
- The driving range is 180 yards. We will be IRONS ONLY unless supervised/approved by Sean or Bill.

Lightning Policy

We have upgraded our Lightning Detection System and Siren. Per our insurance policy, the lightning policy will be strictly enforced. We have two sirens that blow when lightning is within our 10-mile radius: one from the clubhouse and one from the turfgrass center. If you hear these sirens, you must stop IMMEDIATELY and seek shelter or return to the clubhouse. Those that do not follow this policy will be asked to leave the Golf Course and not return.

When weather, capable of producing lightning, approaches the area (within 10 miles), all golfers should use extreme caution. If a lightning storm is imminent, the golf staff will sound like a siren. When the siren sounds, all golfers are required to leave the course or seek shelter immediately. Golf carts are not lightning proof. Do not shelter under a tree as they conduct lightning to the ground.

The following disciplinary action will occur for those found golfing during a lightning warning:

1. Verbal Warning
2. No play for two weeks
3. No play for one month

Outside activities may resume when authorized by the Golf Shop staff after 15 minutes have passed since the last lightning strike. Golfers, resuming play, are expected to immediately return to the course at their previous location and resume play. Golfers not abiding by this will lose their position on the course. Please also note that lightning is difficult to predict and the lack of a siren warning on any occasion is no assurance of safety against lightning. Play is always at your own risk.

Score Posting- GHIN

Score posting will begin on Tuesday, April 1

- You may post scores on the GHIN APP or leave your scorecard with the Golf Shop
- ALL scores (9 or 18) must be posted the day you play due to the PCC Calculation
 - You CANNOT post a score if you have played by yourself
 - During aerification, scores should still be posted per the USGA
- See below for example's on how to post scores if you do not finish an entire round.

• 13 or More Holes:

When you play 13 or more holes, you must post an 18-hole score, even if you don't complete all 18 holes.

- **Holes Not Played:** For the holes you didn't play, you'll score them as "par plus" your course handicap strokes.
- **Example:** If you play 14 holes and have a course handicap of 10, you'd score the remaining 4 holes as par plus 1 stroke each (because your course handicap is 10, and you're entitled to 1 stroke per hole).

7 to 12 Holes:

If you play between 7 and 12 holes, you must post a 9-hole score.

Holes Not Played: You'll only post scores for the 9 holes you played, and the remaining holes are disregarded for handicap purpose

Stroke & Distance Rule

- This rule will be used at LCC to speed up daily play.
- THIS CANNOT BE USED DURING TOURNAMENTS
