President's News September 2025 *James Sarver*

Dear Members,

As we approach the beautiful transition from summer into fall here at Ligonier Country Club, I want to take a moment to thank each of you for your continued support and participation throughout the season. Your enthusiasm and respect for our club's traditions and operations are what make LCC such a vibrant and enjoyable community.

Secondly, a huge thank you to our wonderful staff! Michael Sherid and his team have been working their tails off to provide membership with a wonderful experience in the clubhouse, while Sean, Mike and Tom with the rest of the pro shop staff have done a great job in golf shop. We've asked a lot out of our staff this year and they have stepped up to the plate tremendously!

Last but certainly not least, a huge thank you to Jim Born and his staff for keeping our course in incredible shape! They have kept the course in great shape through a year that has been very strenuous on all golf courses. From extreme amounts of rain straight into extreme heat and drought, Jim and his team have persevered to bring us incredible conditions. We have even had several members from other local clubs contact the board about how good the conditions are at LCC! Thanks for all the hard work Jim!

Parking Lot Traffic Patterns

Before we dive into the exciting events ahead, I'd like to address an important safety reminder regarding traffic patterns in our parking lot.

Please be sure to observe all posted signage and directional arrows when entering and exiting the lot. These patterns are in place to ensure the safety of all members, guests, and staff—especially during our busier days and events. Cutting across lanes, speeding, or traveling against marked flow not only creates confusion but also increases the risk of accidents.

Your cooperation in following these rules helps keep LCC a safe and courteous environment for everyone. If you have guests joining you, kindly pass along these guidelines to them as well.

Upcoming Events at LCC

We're closing out the season with some exciting events you won't want to miss:

Couples Series Cross Country – Thursday, September 11th

Join us for a fun and challenging twist on the traditional game! The Couples Series Cross Country event offers a unique layout, fresh competition, and a great way to team up and test your skills. Whether you're aiming for the win or just in it for the laughs, it's always a highlight of our couples' calendar.

Tailgate Party – Saturday, September 21st

Get ready to show your team spirit! Our annual Tailgate Party is back and better than ever. Come dressed in your favorite team gear, enjoy themed food and drinks, and soak up the lively atmosphere with fellow fans. It's a perfect way to kick off fall and celebrate the camaraderie of the LCC family.

Member-Guest – Friday, September 27th

One of our most anticipated events of the year, the Member-Guest Tournament is a true showcase of Ligonier hospitality and competitive golf. Spots fill up quickly, so be sure you've secured your registration. It's not only about the game—it's about the memories, the friendships, and the tradition.

As always, thank you for your dedication to the club and for helping us maintain the welcoming, respectful, and high-quality experience that defines Ligonier Country Club. I look forward to seeing you at the course and around the clubhouse this fall.

Warm regards, **James Sarver**

Ladies Golf News September 2025 *Barbara Sloan*

It hardly seems possible, but the last month of our season has arrived.

Overlooked in the August newsletter was the Ladies Senior Championship won by Karen Hough with a gross 91. Carolyn Morford was the net winner with a 76. This year's Women Club Champion is Steph Knupp who shot a gross 159. Darlene Elliott won the net contest with a 153 over Cindy Soccio in a playoff.

Beat the Pro was played on August 5. This was an individual event to match the best net score against the Sean Knaus's scratch. Betty Rosa defeated Sean with a net 68. Sean also shot a 68, but with a plus four handicap his best was a 72.

Friends Day, on August 12, was hosted by Betty Rosa. Members were allowed to bring up to three guests and many did. It was a great turnout including some old friends who traveled to participate. Thanks to Betty for all her efforts to make this a fun day.

Mystery Hole was the gadget on August 19. Teams were chosen by the Pro Sho Each team had three holes thrown out and were different for each. Low net won.

1st Place; Cindy Bode, Jo Treskovich, Melane Baraniak, Sherry O'Halloran net 46

2nd Place: Darlene Elliott, Betty Rosa, Jan Litrun, Enis Cassill net 50

3rd Place: Carolyn Morford, Robin Giunta, Cindy Soccio net 55

One of the major events, the Ladies Classic, was played on August 26. There were two flights: Red Tee and Orange Tee players. Karen Hough, who hosted, deserves credit for organizing the event while recovering from Knee surgery

No much will happen for the first two Tuesdays of September. The course is closed on September 2. There will be tee times for no gadget on September 9. Tee times in September will start at 10:00 a.m.

Our traditional closing day scramble is scheduled for September 30, followed by lunch, meeting, awards, and election of officers.

The Pro Shop will continue to block tee times for Tuesday play in October.

From the Pro September 2025 Sean Knaus

Dear Members,

It's hard to believe September is here and our area will reveal its colorful canopy soon. August was a fantastic month though, especially since we kicked off with our Centennial Member-Member.

The member-member was a hit with world-class golf, fine dress attire and a shoot-out format that kept each flight on edge. The next weekend, the nail biting did not stop, as we rounded out a 2-day Club Championship. A narrow lead on Day 1 by Senior Club Championship, John Lynch and newcomer, Jeremy Lazarchik, were not enough to hold off the now, back-to-back and 10x Club Champion, Dave Smail. The Women's Club Championship was a tough test as well, with Steph Knupp claiming her first, but definitely not last.

September will start slow, but don't worry, we're just rounding out the third quarter of our season and still have much planned ahead.

- Back for a second year, our Tailgate Party Golf Event will bring the Football spirit and test out your hamstrings!
- The Oktoberfest Member-Guest will be packed with fun, food and great camaraderie.

Driving Range Information

- Throughout the season, the driving range will close at dusk.
- On Wednesday's, the driving range will close at 3:00 pm for clean picking.
- On Thursday's the driving range will not open until around 11:00 am so turfgrass can cut the area.
- The driving range is 180 yards. We will be IRONS ONLY unless supervised/approved by Sean or Bill.

Lightning Policy

We have upgraded our Lightning Detection System and Siren. Per our insurance policy, the lightning policy will be strictly enforced. We have two sirens that blow when lightning is within our

10-mile radius: one from the clubhouse and one from the turfgrass center. If you hear these sirens, you must stop IMMEDIATELY and seek shelter or return to the clubhouse. Those that do not follow this policy will be asked to leave the Golf Course and not return.

When weather, capable of producing lightning, approaches the area (within 10 miles), all golfers should use extreme caution. If a lightning storm is imminent, the golf staff will sound like a siren. When the siren sounds, all golfers are required to leave the course or seek shelter immediately. Golf carts are not lightning proof. Do not shelter under a tree as they conduct lightning to the ground.

The following disciplinary action will occur for those found golfing during a lightning warning:

1. Verbal Warning
2. No play for two weeks
3. No play for one month

Outside activities may resume when authorized by the Golf Shop staff after 15 minutes have passed since the last lightning strike. Golfers, resuming play, are expected to immediately return to the course at their previous location and resume play. Golfers not abiding by this will lose their position on the course. Please also note that lightning is difficult to predict and the lack of a siren warning on any occasion is no assurance of safety against lightning. Play is always at your own risk.

As always, the Golf Shop is here to help with any questions and fulfill any order that comes to mind. For more information or questions about ordering products, please reach out.

Score Posting- GHIN

Score posting will begin on Tuesday, April 1

You may post scores on the GHIN APP or leave your scorecard with the Golf Shop ALL scores (9 or 18) must be posted the day you play due to the PCC Calculation

You CANNOT post a score if you have played by yourself

During aerification, scores should still be posted per the USGA

See below for example's on how to post scores if you do not finish an entire round.

13 or More Holes:

When you play 13 or more holes, you must post an 18-hole score, even if you don't complete all 18 holes.

Holes Not Played: For the holes you didn't play, you'll score them as "par plus" your course handicap strokes.

Example: If you play 14 holes and have a course handicap of 10, you'd score the remaining 4 holes as par plus 1 stroke each (because your course handicap is 10, and you're entitled to 1 stroke per hole).

7 to 12 Holes:

If you play between 7 and 12 holes, you must post a 9-hole score.

Holes Not Played: You'll only post scores for the 9 holes you played, and the remaining holes are disregarded for handicap purpose
