President's News April 2026 *James Sarver*

Dear Members,

I hope this message finds you well as we welcome the early signs of spring at Ligonier Country Club. This is always an exciting time of year as the course begins to come back to life and our calendar fills with great events for members and their families.

I'd like to provide an update on a few ongoing course improvements. Work is currently underway on the #4 tee box, where renovations are focused on enhancing both playability and aesthetics. Additionally, we are adding a fairway bunker to #3 to ensure better drainage and consistency in playing conditions. We appreciate your patience during these projects and are confident these upgrades will further elevate your golfing experience.

We also have several wonderful events right around the corner. Our "Bunny Ball" Event will take place on April 3rd, and we look forward to seeing members come together for this fun, festive tradition. Shortly after, we'll celebrate one of golf's most exciting weekends with our Masters event on April 11th always a favorite among the membership. New for 2026, we are offering our new LCC Evening Market on April 16th. Come out and enjoy an evening with local merchants and delicious food!

Looking ahead, reservations are now open for our Mother's Day Brunch on May 10th. This is a special opportunity to celebrate the mothers and loved ones in our lives, and we encourage you to reserve early as this event fills quickly each year.

The Annual Meeting of Proprietary Members will be held on Wed. May 6th. Any golf member of at least one-year membership is eligible for proprietary memberships. Proprietary Members receiving voting rights, can serve of the Board of Governors, and receive \$25 account credit every April per purchased share. Members may purchase up to two shares, and spouses in family memberships may also purchase shares. [Visit Here](#) for more information. Join by April 6th to be included at this year's meeting.

Thank you for your continued support of the club. We are looking forward to a fantastic season ahead and to seeing all of you enjoying the club and its many offerings.

Warm regards,
Club President
Ligonier Country Club

From the Pro April 2026 *Sean Knaus*

Dear Members,

Much like winter itself, March did not treat us particularly well. It appears Punxsutawney Phil may have been right with his prediction of six more weeks of winter. That said, the extended forecast is finally pointing toward a warm-up, though whether the rain will stick around remains to be seen.

Despite the weather, we were pleased to host our annual Shamrock Open this month. The event was a great success, with solid conditions and, more importantly, a lot of fun had by all. We also introduced our new live scoring system, which ran seamlessly. We're excited to continue utilizing it throughout the season.

As we turn the page to April, we wrap up our March Madness pool and look ahead to a busy and exciting start to the season. Beginning April 1, please note the following updates and reminders:

- The driving range will officially open
- GHIN score posting will be permitted
 - Group times will begin
 - Five-some's will not be allowed
- Jeans are not permitted on the course.
 - The Hole-In-One Club begins

We're also looking forward to several upcoming events, including our Bunny Ball Good Friday Event, Masters Tournament event on April 11 and the Cannon Cup on April 25–26. While the Cannon Cup sold out earlier this month, we may be able to accommodate a limited number of additional players to be drafted onto Team Welty or Team Kotun, provided we can add participants in groups of four.

Additionally, Golf Shop Match Play sign-ups will be opening soon, with the first matches scheduled to begin May 3.

April is always an exciting time at the club as the season ramps up and more consistent sunshine returns. We look forward to seeing you out on the course soon!

Member's Only Logo

For years, we've searched for the right "Members Only" logo, something meaningful, something unique, and something that truly represents Ligonier Country Club. We often asked ourselves, What could we do that genuinely reflects who we are or the area around us?

After some digging, we realized that sometimes the perfect timing, and the perfect inspiration, has been right in front of us all along.

This year marks America's 250th Anniversary, a celebration deeply rooted in the very history that surrounds our Club. Ligonier's origins are rooted in military history, and when you think of Ligonier, you immediately think of the Fort.

Even more meaningful is the land our course sits on, the former Brandt family farm. The Brandt family was involved in the Revolutionary War, and to this day, Revolutionary-era markings and symbols remain on their family headstones in the cemetery just down the road from the Club.

All of these historic ties led us to the cannon — a symbol that represents strength, heritage, and the deep roots of both our town and our Club.

We are proud to introduce our Members Only Cannon Logo — etched deep with history and meant to be worn proudly.

This logo will be exclusively available to LCC Members. It will not be offered to guests, making it a true representation of membership, belonging and a conversation piece when worn outside the club. A soft drop of items included hoodies, Greyson apparel, key chains, belts and hats have already arrived and a few more to come. We hope you enjoy!

The Golf Shop Spring Raffle

This year the Golf Shop will host The Spring 100th Raffle instead of Golf Bash. The entry is simple, for \$100 you get (1) raffle spot and your \$100 automatically goes on your Golf Shop Credit Book that you can use throughout the year.

Score Posting- GHIN

Score posting will begin on Wednesday, April 1

- You may post scores on the GHIN APP or leave your scorecard with the Golf Shop
 - ALL scores (9 or 18) must be posted the day you play due to the PCC Calculation
 - You CANNOT post a score if you have played by yourself
 - During aerification, scores should still be posted per the USGA
- See below for example's on how to post scores if you do not finish an entire round.

- **13 or More Holes:**

When you play 13 or more holes, you must post an 18-hole score, even if you don't complete all 18 holes.

- **Holes Not Played:** For the holes you didn't play, you'll score them as "par plus" your course handicap strokes.
- **Example:** If you play 14 holes and have a course handicap of 10, you'd score the remaining 4 holes as par plus 1 stroke each (because your course handicap is 10, and you're entitled to 1 stroke per hole).

7 to 12 Holes:

If you play between 7 and 12 holes, you must post a 9-hole score.

Holes Not Played: You'll only post scores for the 9 holes you played, and the remaining holes are disregarded for handicap purpose

Driving Range Information

The Driving Range will open (Wednesday, April 1). The range is open to all but only included in Full Golf Members' dues. Social Members and Guests may pay a yearly or daily fee.

- Throughout the season, the driving range will close at dusk.
- On Wednesday's, the driving range will close at 3:00 pm for clean picking.
- On Thursday's the driving range will not open until around 11:00 am so turfgrass can cut the area.
- The driving range is only 200 yards. Please refrain from using any club that carries further than this.

Lightning Policy

We have upgraded our Lightning Detection System and Siren. Per our insurance policy, the lightning policy will be strictly enforced. We have two sirens that blow when lightning is within our 10-mile radius: one from the clubhouse and one from the turfgrass center. If you hear these sirens, you must stop IMMEDIATELY and seek shelter or return to the clubhouse. Those that do not follow this policy will be asked to leave the Golf Course and not return.

When weather, capable of producing lightning, approaches the area (within 10 miles), all golfers should use extreme caution. If a lightning storm is imminent, the golf staff will sound like a siren. When the siren sounds, all golfers are required to leave the course or seek shelter immediately. Golf carts are not lightning proof. Do not shelter under a tree as they conduct lightning to the ground.

The following disciplinary action will occur for those found golfing during a lightning warning:

- | | | |
|-------------------|-----------------------------------|-----------------------------|
| 1. Verbal Warning | 2. No play for two weeks
month | 3. No play for one
month |
|-------------------|-----------------------------------|-----------------------------|

Outside activities may resume when authorized by the Golf Shop staff after 15 minutes have passed since the last lightning strike. Golfers, resuming play, are expected to immediately return to the course at their previous location and resume play. Golfers not abiding by this will lose their position on the course. Please also note that lightning is difficult to predict and the lack of a siren warning on any occasion is no assurance of safety against lightning. Play is always at your own risk.
