### From the Social Committee *Karen Hough*

June is usually a very busy family season, baby showers, bridal showers, weddings, graduations, and getting the kiddos settled into the summer routine. But at the Club, we are looking forward to you spending your free hours on the course, feasting at the June Pasta Bar, or just spending a quiet evening in the Pavilion with your family and friends. Joe Golden performs at the Club on June 20! Hope to see you at the Club!

If you want Dad to have a great Father's Day, reserve your tee time now or make a reservation to enjoy brunch at the Club. Father's Day is June 21<sup>st</sup>.

Don't forget to call Sean today to reserve your spot in the Firecracker Five-Some Open on July 4<sup>th</sup>.

It promises to be another great event with a few fun surprises.

Outside events are a necessary part of the club's business and financial stability. We do our best to mitigate the affect of these outings on the membership.

Please remember that a listed event does not always hinder your ability to visit the club. We will list dining closures or restrictions on the calendar or email out any last minute adjustments to the schedule as early and often as possible.

Golf outings over a certain number will take up the course for about 4 to 5 hours; see the calendar for the time span under their "shotgun".

**Ladies Golf News June 2026** *Barbara Sloan*

May can only be described as a washout. It was either cold or raining or raining and cold.

The one bright spot was opening day, May 5, with warm temperatures but with punishing winds. Scramble play was from the oranges tees, with three drives required for each team member.

- 1<sup>st</sup> Place: Jan Litrun, Darleen Elliott, Pat Warren – net 70
- 2<sup>nd</sup> Place tie: net 71: JoAn Treskovich, Enis Cassill, Dottie Giannone, Sherry O'Halloran – Steph Knupp, Pam Policastro, Robin Giunta, Anne Aungier
- 3<sup>rd</sup> Place: Carolyn Morford, Betty Rosa, Becky DeMuth, Barbara Sloan

The opening dinner, hosted by Jan Litrun, was held on May 7.

Hopefully, June will be better. The major upcoming event, and a fan favorite, is King & Queens on June 16, hosted by Pat Warren. Please sign up in the Pro Shop so Pat can recruit the required number of Kings.

**From the Pro June 2026** *Sean Knaus*

Dear Members,

It feels repetitive to continue talking about the weather not being on our side, but May truly brought a little bit of everything; rain, hail, cold temperatures, warm temperatures, and just about every condition imaginable. Despite all of that, we were still able to successfully host our Opening Day Derby event, where technically everyone won! Based on each team's finish, participants were assigned a horse according to the betting favorites. As luck would have it, no one had the winning horse, meaning everyone ended up a winner in the end.

We also hosted our Jackpot Challenge event, featuring several exciting hole-in-one prizes. While no aces were recorded this year, everyone still had a great time, and hopefully next year will finally be the year someone cashes in.

As we turn the calendar to June, the forecast, and hopefully the temperatures, are finally trending in the right direction as our busiest stretch of the season begins. Along with several outings that may affect course availability, please review the section below for upcoming dates and event information.

June is packed with exciting events, including our sold-out Men's Invitational, the newly revamped Bucks & Does event featuring a baseball theme, the always entertaining College Night Golf event filled with fun and nostalgia, and the Senior Club Championship. There truly is something for every type of member and guest this month, and we look forward to a fun-filled June at the club.

In this newsletter, you'll find upcoming events, updated course rulings, important dates that may affect play, exchange day information, Hole-in-One Club details, Golf Shop online promotions, demo days, and much more.

**Golf Shop/Golf Course Rules & Regulations**

All players MUST check in to the Golf Shop before play, even if you are Walking  
Golf Shirts Must Always Be Tucked In

No outside alcoholic beverages or coolers are permitted on property

All play MUST begin on Hole #1 unless approved by Sean Knaus or Bill Elliott

Social Members- Tee times on weekends are after 1:00 PM

Pace of Play for Ligonier is 4 hours and 15 hours (2:08 front 9, 2:07 back 9)

When the Lightning warning or horn sounds, you MUST stop play and find shelter or return to the clubhouse  
Golf Carts must be in before sunset.

**Driving Range & Local Rule Updates**

A couple of important items to keep in mind as the season gets underway:

**Driving Range Reminder**

Please note that the driving range is **irons only**. We have recently found a number of golf balls in the #14 fairway, near the #14 green, and around the #15 white tee. With a few trees lost around the perimeter of the range, it's important that we remain mindful of golfers out on the course. Your cooperation helps ensure the safety of all players.

## New Local Rule – Root & Rock Relief

To help protect players and maintain pace of play, we are introducing the following local rule for regular play:

If a player's ball comes to rest on or near tree roots or rocks that interfere with the player's stance or intended swing, the player may take free relief. Relief is taken by determining the nearest point of complete relief, no closer to the hole, and dropping within one club length of that point. The ball must be dropped from knee height and come to rest within the relief area. Note: This rule applies to daily play only and will not be in effect for tournament play.

Out of Bounds – Alternative to Stroke & Distance (Pace of Play)  
As a reminder, to help improve pace of play, we are utilizing the Local Rule for Out of Bounds/Lost Ball relief:

When a ball is lost or out of bounds, a player may proceed under this local rule for **two penalty strokes** instead of returning to play from the previous spot.

- o Identify the **ball reference point** (where the ball is estimated to be lost or last crossed out of bounds).
- o Identify the **fairway reference point** (nearest fairway area, not closer to the hole).
- o The relief area is established between these two points and within two club lengths on either side, no closer to the hole.
- o The ball must be dropped in the general area within this defined relief zone.

Once a ball is put in play under this rule, the original ball is no longer in play—even if it is later found. This option does **not** apply if:

The ball is known or virtually certain to be in a penalty area, or A provisional ball has already been played.

Note: This local rule will not be used in competition or club events.

## Hole-In-One Club

The hole-in-one club is a unique way to win some money, receive a trophy and treat your friends and members to a drink. Each time someone has a hole-in-one, golfers will receive 50% of the pot in cash and 50% of the pot in golf shop credit. Even if you don't think you're ever going to get a hole-in-one, just know, there's at least three to four times each year someone gets one and is not in the club!

Hole-In-Ones will count for the club starting on April 1 and continue until November 14.

**ENTRY: \$10 per person, per hole-in-one (opt-out anytime)**

### 2026 Hole-in-Ones

- **Ron Kurpiel- #7**
- **Matt Burkardt- #11**

### Score Posting- GHIN

Score posting will began on Wednesday, April 1

- You may post scores on the GHIN APP or leave your scorecard with the Golf Shop
  - ALL scores (9 or 18) must be posted the day you play due to the PCC Calculation
    - You CANNOT post a score if you have played by yourself
    - During aerification, scores should still be posted per the USGA
  - See below for example's on how to post scores if you do not finish an entire round.
- **13 or More Holes:**

When you play 13 or more holes, you must post an 18-hole score, even if you don't complete all 18 holes.

- **Holes Not Played:** For the holes you didn't play, you'll score them as "par plus" your course handicap strokes.
- **Example:** If you play 14 holes and have a course handicap of 10, you'd score the remaining 4 holes as par plus 1 stroke each (because your course handicap is 10, and you're entitled to 1 stroke per hole).

### **7 to 12 Holes:**

If you play between 7 and 12 holes, you must post a 9-hole score.

**Holes Not Played:** You'll only post scores for the 9 holes you played, and the remaining holes are disregarded for handicap purpose

For years, we've searched for the right "Members Only" logo, something meaningful, something unique, and something that truly represents Ligonier Country Club. We often asked ourselves, What could we do that genuinely reflects who we are or the area around us?

After some digging, we realized that sometimes the perfect timing, and the perfect inspiration, has been right in front of us all along.

This year marks America's 250th Anniversary, a celebration deeply rooted in the very history that surrounds our Club. Ligonier's origins are rooted in military history, and when you think of Ligonier, you immediately think of the Fort.

Even more meaningful is the land our course sits on, the former Brandt family farm. The Brandt family was involved in the Revolutionary War, and to this day, Revolutionary-era markings and symbols remain on their family headstones in the cemetery just down the road from the Club.

All of these historic ties led us to the cannon — a symbol that represents strength, heritage, and the deep roots of both our town and our Club.

We are proud to introduce our **Members Only Cannon Logo** — etched deep with history and meant to be worn proudly.

This logo will be exclusively available to LCC Members. It will not be offered to guests, making it a true representation of membership, belonging and a conversation piece when worn outside the club. A soft drop of items included hoodies, Greyson apparel, key chains, belts and hats have already arrived and a few more to come. We hope you enjoy!

## Driving Range Information

The range is open to all but only included in Full Golf Members' dues. Social Members and Guests may pay a yearly or daily fee.

Throughout the season, the driving range will close at dusk.

On Wednesday's, the driving range will close at 3:00 pm for clean picking.

On Thursday's the driving range will not open until around 11:00 am so turfgrass can cut the area. The driving range is only 200 yards. Please refrain from using any club that carries further than this.

## Lightning Policy

We have upgraded our Lightning Detection System and Siren. Per our insurance policy, the lightning policy will be strictly enforced. We have two sirens that blow when lightning is within our 10-mile radius: one from the clubhouse and one from the turfgrass center. If you hear these sirens, you must stop IMMEDIATELY and seek shelter or return to the clubhouse. Those that do not follow this policy will be asked to leave the Golf Course and not return.

When weather, capable of producing lightning, approaches the area (within 10 miles), all golfers should use extreme caution. If a lightning storm is imminent, the golf staff will sound like a siren. When the siren sounds, all golfers are required to leave the course or seek shelter immediately. Golf carts are not lightning proof. Do not shelter under a tree as they conduct lightning to the ground.

The following disciplinary action will occur for those found golfing during a lightning warning:

1. Verbal Warning
2. No play for two weeks month
3. No play for one

Outside activities may resume when authorized by the Golf Shop staff after 15 minutes have passed since the last lightning strike. Golfers, resuming play, are expected to immediately return to the course at their previous location and resume play. Golfers not abiding by this will lose their position on the course. Please also note that lightning is difficult to predict and the lack of a siren warning on any occasion is no assurance of safety against lightning. Play is always at your own risk.
