IMPORTANT DINING NOTICE

No Fried Foods

With the exception of fries and homemade chips, we will be unable to fill orders of fried items for at least the first week of July. This will include cheese bites, coconut shrimp, fish sandwiches, and other items.

Wednesday Wing Night is being replaced by Double Cheeseburger or Chicken Sandwich special for \$17.76 for Wed. July 1st.

One of our propane fryers went down late last week, and thought a replacement is on it's way, the estimated time is 10-14 days.

Thank you for your understanding!

President's News July 2026 *James Sarver*

Dear Members,

America's 250th celebrations are arriving with the heat. We wish you all a Happy Independence Day weekend and ask everyone to stay hydrated during your festivities. We hope to see you and your guests here over the weekend; remember to make your tee times and check in with the pro shop, and check the calendar and call the clubhouse for your dining reservations.

This weekend we have a \$75 guest special on Friday and on Saturday the full Firecracker 5-Person kicks off at 8:30 am. The Grillin' Buffet will be run from 12:00 pm to 2:00 pm before our house staff heads out for the day.

Looking forward for some great events:

- Two of the ladies' premier Tuesday events are at the end of the month: **Queen Bee** (over two rounds) and the **Ladies Classic**.
- A great event for couples and friends is on Thursday, July 23rd: **Bucks and Does: Christmas in July**
 - **Laura Rullo Performs** on Saturday, July 25th
- And closing out the month is the current talk of the club: **Drive-in Night** showing Ferris Bueller's Day Off on Friday, July 31st. Each group will get a cart for viewing, but you're welcome to bring blankets and chairs. Other fun activities will start at 4:00 pm for the family, and the concession stand with classic drive-in foods will open at 6:00 pm.

- August then kicks off strong with the **Member-Member** Two-Day Golf Event, 80s Theme.

With the upcoming extreme heat wave, please be sure to follow the 90 degree rule to help preserve our fringes and fairways. Please utilize the continuous cart path, drive on the path to a point perpendicular to your ball, drive to your ball and then return directly to the path.

We hope to see you all over the next month enjoying all your club has to offer! Thank you for your continued support of Ligonier Country Club.

Sincerely,

Jim Sarver
President
Ligonier Country Club

From the Pro July 2026 Sean Knaus

Dear Members,

It's hard to believe July is already here! It feels like we were just getting the season underway, and now June is already behind us. The month flew by, bringing plenty of interesting weather, a tremendous amount of golf, and many outstanding events.

Play is up compared to 2025, and we love seeing so many smiling faces enjoying the golf course. As a reminder, if you ever encounter an issue on the course, whether it's pace of play, groups not allowing faster players to play through, or any other golf-related concern, please call the Golf Shop immediately. The sooner we know about an issue, the sooner we can help keep everyone's round enjoyable.

Looking back, June was packed with activity. We hosted our Men's Invitational, six golf outings, exchange days, Demo Day, Junior Golf Camp, PGA Junior League matches, and much more. It's no wonder the month seemed to fly by!

As we head into July, the calendar slows down just a bit, but we certainly expect the golf course to stay busy. We still have some fantastic events ahead, including our sold-out Firecracker 5-Person Scramble celebrating America's 250th Anniversary and one of our favorite traditions, the Bucks & Does "Christmas in July" event. It's always a fun evening filled with holiday spirit, great golf, and plenty of Christmas-themed surprises.

While it's just around the corner, don't forget about the Member-Member on August 1-2. The '80s are back, baby! Dust off your neon, tease up your hair, and see if you can still solve a Rubik's Cube. Be sure to sign up soon to take advantage of the **\$25 early registration discount** before it's gone!

Lastly, we're excited to announce a new reciprocal golf opportunity with **Indiana Country Club**! Ligonier Country Club members may now play Indiana Country Club for a reduced rate of **\$120, including cart**.

Reciprocal play is available:

- **Tuesdays:** After 2:00 p.m.
- **Wednesdays:** Anytime
- **Thursdays & Fridays:** Not available.
- **Weekends:** After 12:00 p.m. (Noon).

All reciprocal tee time requests must be arranged through Sean in the Golf Shop.

We look forward to seeing everyone at the club throughout another great month of golf!

Golf Shop/Golf Course Rules & Regulations

- All players **MUST** check in to the Golf Shop before play, even if you are Walking
 - Golf Shirts Must Always Be Tucked In
 - No outside alcoholic beverages or coolers are permitted on property
- All play **MUST** begin on Hole #1 unless approved by Sean Knaus or Bill Elliott
 - Social Members- Tee times on weekends are after 1:00 PM
- Pace of Play for Ligonier is 4 hours and 15 hours (2:08 front 9, 2:07 back 9)
- When the Lightning warning or horn sounds, you **MUST** stop play and find shelter or return to the clubhouse
 - Golf Carts must be in before sunset.

Driving Range & Local Rule Updates

A couple of important items to keep in mind as the season gets underway:

Driving Range Reminder

Please note that the driving range is **irons only**. We have recently found a number of golf balls in the #14 fairway, near the #14 green, and around the #15 white tee. With a few trees lost around the perimeter of the range, it's important that we remain mindful of golfers out on the course. Your cooperation helps ensure the safety of all players.

New Local Rule – Root & Rock Relief

To help protect players and maintain pace of play, we are introducing the following local rule for regular play:

LCC Root and Rock Rule:

If a player's ball comes to rest on or near tree roots or rocks that interfere with the player's stance or intended swing, the player may take free relief. Relief is taken by determining the nearest point of complete relief, no closer to the hole, and dropping within one club length of that point. The ball must be dropped from knee height and come to rest within the relief area.

Note: This rule applies to daily play only and will not be in effect for tournament play.

Out of Bounds – Alternative to Stroke & Distance (Pace of Play)

As a reminder, to help improve pace of play, we are utilizing the Local Rule for Out of Bounds/Lost Ball relief:

When a ball is lost or out of bounds, a player may proceed under this local rule for **two penalty strokes** instead of returning to play from the previous spot.

- Identify the **ball reference point** (where the ball is estimated to be lost or last crossed out of bounds).
 - Identify the **fairway reference point** (nearest fairway area, not closer to the hole).
- The relief area is established between these two points and within two club lengths on either side, no closer to the hole.
 - The ball must be dropped in the general area within this defined relief zone.

Once a ball is put in play under this rule, the original ball is no longer in play—even if it is later found.

This option does **not** apply if:

- The ball is known or virtually certain to be in a penalty area, or
 - A provisional ball has already been played.

Note: This local rule will not be used in competition or club events.

Hole-In-One Club

The hole-in-one club is a unique way to win some money, receive a trophy and treat your friends and members to a drink. Each time someone has a hole-in-one, golfers will receive 50% of the pot in cash and 50% of the pot in golf shop credit. Even if you don't think you're ever going to get a hole-in-one, just know, there's at least three to four times each year someone gets one and is not in the club!

Hole-In-Ones will count for the club starting on April 1 and continue until November 14.

ENTRY: \$10 per person, per hole-in-one (opt-out anytime)

2026 Hole-in-Ones

- Ron Kurpiel- #7
- Matt Burkardt- #11
- Rick Brickley #11
 - Joe Corsi #7
 - Bob Luther #7

Score Posting- GHIN

Score posting will began on Wednesday, April 1

- You may post scores on the GHIN APP or leave your scorecard with the Golf Shop
- ALL scores (9 or 18) must be posted the day you play due to the PCC Calculation
 - You CANNOT post a score if you have played by yourself
 - During aerification, scores should still be posted per the USGA
- See below for example's on how to post scores if you do not finish an entire round.

- **13 or More Holes:**

When you play 13 or more holes, you must post an 18-hole score, even if you don't complete all 18 holes.

- **Holes Not Played:** For the holes you didn't play, you'll score them as "par plus" your course handicap strokes.
- **Example:** If you play 14 holes and have a course handicap of 10, you'd score the remaining 4 holes as par plus 1 stroke each (because your course handicap is 10, and you're entitled to 1 stroke per hole).

7 to 12 Holes:

If you play between 7 and 12 holes, you must post a 9-hole score.

Holes Not Played: You'll only post scores for the 9 holes you played, and the remaining holes are disregarded for handicap purpose

 Driving Range Information

The range is open to all but only included in Full Golf Members' dues. Social Members and Guests may pay a yearly or daily fee.

- Throughout the season, the driving range will close at dusk.
- On Wednesday's, the driving range will close at 3:00 pm for clean picking.
- On Thursday's the driving range will not open until around 11:00 am so turfgrass can cut the area.
- The driving range is only 200 yards. Please refrain from using any club that carries further than this.

Lightning Policy

We have upgraded our Lightning Detection System and Siren. Per our insurance policy, the lightning policy will be strictly enforced. We have two sirens that blow when lightning is within our 10-mile radius: one from the clubhouse and one from the turfgrass center. If you hear these sirens, you must stop IMMEDIATELY and seek shelter or return to the clubhouse. Those that do not follow this policy will be asked to leave the Golf Course and not return.

When weather, capable of producing lightning, approaches the area (within 10 miles), all golfers should use extreme caution. If a lightning storm is imminent, the golf staff will sound like a siren. When the siren sounds, all golfers are required to leave the course or seek shelter immediately. Golf carts are not lightning proof. Do not shelter under a tree as they conduct lightning to the ground.

The following disciplinary action will occur for those found golfing during a lightning warning:

- | | | |
|-------------------|--------------------------|--------------------------|
| 1. Verbal Warning | 2. No play for two weeks | 3. No play for one month |
|-------------------|--------------------------|--------------------------|

Outside activities may resume when authorized by the Golf Shop staff after 15 minutes have passed since the last lightning strike. Golfers, resuming play, are expected to immediately return to the course at their previous location and resume play. Golfers not abiding by this will lose their position on the course. Please also note that lightning is difficult to predict and the lack of a siren warning on any occasion is no assurance of safety against lightning. Play is always at your own risk.

Member's Only Logo

For years, we've searched for the right "Members Only" logo, something meaningful, something unique, and something that truly represents Ligonier Country Club. We often asked ourselves, What could we do that genuinely reflects who we are or the area around us?

After some digging, we realized that sometimes the perfect timing, and the perfect inspiration, has been right in front of us all along.

This year marks America's 250th Anniversary, a celebration deeply rooted in the very history that surrounds our Club. Ligonier's origins are rooted in military history, and when you think of Ligonier, you immediately think of the Fort.

Even more meaningful is the land our course sits on, the former Brandt family farm. The Brandt family was involved in the Revolutionary War, and to this day, Revolutionary-era markings and symbols remain on their family headstones in the cemetery just down the road from the Club.

All of these historic ties led us to the cannon — a symbol that represents strength, heritage, and the deep roots of both our town and our Club.

We are proud to introduce our **Members Only Cannon Logo** — etched deep with history and meant to be worn proudly.

This logo will be exclusively available to LCC Members. It will not be offered to guests, making it a true representation of membership, belonging and a conversation piece when worn outside the club. A soft drop of items included hoodies, Greyson apparel, key chains, belts and hats have already arrived and a few more to come. We hope you enjoy!

As always, the Golf Shop is here to help with any questions and fulfill any order that comes to mind. For more information or questions about ordering products, please reach out.
