

Ligonier Links ~ August 1, 2026

Hi !

From the Board

James Sarver, President

Dear Members,

As we move into August, I want to thank each of you for making this summer another enjoyable season at Ligonier Country Club. The course has been in excellent condition, our events have been well attended, and it's always great to see members and their families enjoying everything our club has to offer.

As we continue through the busiest part of our golf season, I'd like to remind everyone of a few important club policies that help keep our members and guests safe.

Lightning Policy

Member safety is always a priority. Please take a moment to review the **Lightning Policy** found on **Page 7 of the Ligonier Country Club Rules and Regulations**.

When lightning is present in the area, the golf staff may suspend play if it is deemed to be dangerous conditions. **Ligonier Country Club is not responsible for injuries damages that may occur during lightning stoppages. Golf is played at your own risk.**

We encourage all members to use good judgment and seek appropriate shelter whenever threatening weather develops.

Golf Cart Safety

We also want to remind everyone of our golf cart policy. For the safety of all members and guests:

- **Children are not permitted to drive golf carts at any time.**
- **All golf cart operators must be at least 16 years of age and possess a valid driver's license.**

Your cooperation with these rules helps ensure a safe and enjoyable environment for everyone on the course.

Upcoming August Events

August features several of our premier golf events, and we encourage everyone to come out to participate or cheer on your fellow members.

- **August 1–2:** Member-Member Tournament
- **August 8–9:** Men's & Women's Club Championship
- **August 8:** Junior Club Championship
- **August 20:** Bucks & Does Around the World Event

These tournaments and social events are some of the highlights of our season and are a wonderful opportunity to enjoy friendly competition and fellowship with fellow members.

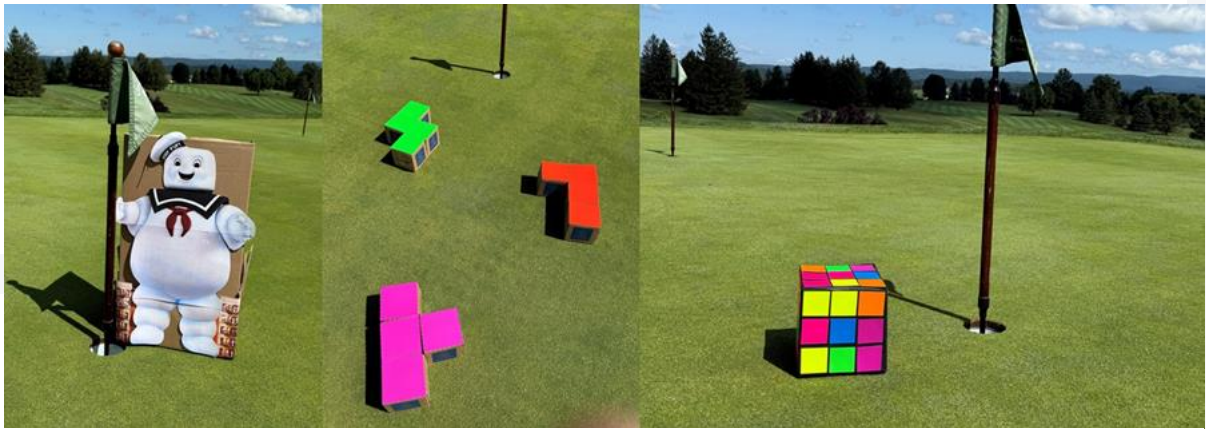

Thank you for your continued support of Ligonier Country Club and for helping us maintain a safe, welcoming, and enjoyable club for everyone. We look forward to seeing you on the course and around the clubhouse throughout August.

Have a wonderful month, and good luck to all of our competitors in the upcoming championships!

Sincerely,

James Sarver

Club President
Ligonier Country Club

From the Social Committee

Karen Hough, Social Chair

The weather was perfect for our 80's Drive In Night on the last day of July. Over 60 members and guests jumped in golf carts and parked on 18 fairway for a viewing of Ferris Bueller's Day Off, enjoying classic drive-in snacks as the sun set behind the screen. Prior to the movie, an 80's themed putt putt course was on the two practice greens. Many of our talented staff members crafted and created the course's obstacles and guides over the last few weeks. Thank you for your hard work! Many items will be around for Member-Member weekend. Keep an eye on our Instagram and Facebook pages for pictures from the Drive-In and 80s weekend.

We hope to revisit the Putt-Putt course at the Family Fun Day event on Saturday, September 12th. (Yes it is Saturday; some previous flyers had the incorrect day of the week listed.)

Remember to keep an eye out for Michael's updated regarding specials and event updates.

Important Reminder

The Winter Rollover Option for Minimums must be requested by August 15th.

This option rolls your November & December Minimum into September and October

Ladies' Golf News

Barbara Sloan, LGA

It is hard to believe but we are more than halfway through the season.

July 7 was Flag Day. Each player's flag was planted where par and the handicap came together.

JoAn Treskovich carried her flag all the way to the 18th green to claim victory. Darlene Elliott was a close second, finishing just short of the 18th green.

The two-day Queen Bee and Lady Bug events were played on July 14 and 21. The Queen Bee is an 18-hole tournament played from Red Tees. The 18-hole Lady Bug was played from the Orange Tees. The 9-hole Lady Bug was played from the Orange Tees. Players used the second day to better their score on each hole.

Cindy Soccio won the rights to the Queen Bee crown and the use of the royal wave with her net 66. JoAn Treskovich and Darlene Elliott tied for second with a net 68.

playoff with Pat Warren who also shot a net 75.

The 9-hole Lady Bug winner was Dottie Giannone with a net 33. Anne Aungier placed second with a net 35.

The Classic, scheduled for July 28, was cancelled due to weather. It will be played on August 4. Please call the Pro Shop to sign up.

The next major event on the schedule is **Friends Day** on August 11. Members may bring up to three quests which can include Social, Evening, or Afternoon members. Sign up in the Pro Shop.

From the Pro

Dear Members,

I feel like I just wrote the July newsletter, and here it is already August! July was certainly an interesting month, weather-wise, but just like we have seen throughout this year, it may be becoming the new norm. Play was once again up, and we thank all of you for coming out, supporting the course, club, and Golf Shop, and for continuing to provide great feedback on what we have to offer.

As we look back at July, we celebrated America's 250th anniversary with a brand-new event, the Firecracker 5-Some. This sold-out event was a blast, especially the Black Cannonball, which everyone had a little trouble seeing. But hey, you can't see a cannonball if it's shooting through the sky!

One of our favorite events was also held in July, the Bucks & Does Christmas in July. Players came out dressed in their holiday spirit and decorated their carts just like they would their Christmas trees! They also had to guess nine Christmas movies based on three clues at each hole. Only one group was able to get all nine correct, including the tricky Batman Returns hole!

Now, we look forward to August, where we stay busy with plenty of play, member events, and outside events. Some of the highlights include our 1980s-themed Member-Member, Club Championship, Junior Club Championship, and Bucks & Does Around the World.

We look forward to seeing everyone around the club during another great month of golf!

Golf Shop/Golf Course Rules & Regulations

- All players **MUST** check in to the Golf Shop before play, even if you are Walking
- Golf Shirts Must Always Be Tucked In
- No outside alcoholic beverages or coolers are permitted on property
- All play **MUST** begin on Hole #1 unless approved by Sean Knaus or Bill Elliott
- Social Members- Tee times on weekends are after 1:00 PM
- Pace of Play for Ligonier is 4 hours and 15 hours (2:08 front 9, 2:07 back 9)
- When the Lightning warning or horn sounds, you **MUST** stop play and find shelter or return to the clubhouse
- Golf Carts must be in before sunset.

Driving Range & Local Rule Updates

A couple of important items to keep in mind as the season gets underway:

Driving Range Reminder

Please note that the driving range is **irons only**. We have recently found a number of golf balls in the #14 fairway, near the #14 green, and around the #15 white tee. With a few trees lost around the perimeter of the range, it's important that we remain mindful of golfers out on the course. Your cooperation helps ensure the safety of all players.

New Local Rule – Root & Rock Relief

To help protect players and maintain pace of play, we are introducing the following local rule for regular play:

LCC Root and Rock Rule:

If a player's ball comes to rest on or near tree roots or rocks that interfere with the player's stance or intended

swing, the player may take free relief. Relief is taken by determining the nearest point of complete relief, no closer to the hole, and dropping within one club length of that point. The ball must be dropped from knee height and come to rest within the relief area.

Note: This rule applies to daily play only and will not be in effect for tournament play.

Out of Bounds – Alternative to Stroke & Distance (Pace of Play)

As a reminder, to help improve pace of play, we are utilizing the Local Rule for Out of Bounds/Lost Ball relief:

When a ball is lost or out of bounds, a player may proceed under this local rule for **two penalty strokes** instead of returning to play from the previous spot.

- Identify the **ball reference point** (where the ball is estimated to be lost or last crossed out of bounds).
- Identify the **fairway reference point** (nearest fairway area, not closer to the hole).
- The relief area is established between these two points and within two club lengths on either side, no closer to the hole.
- The ball must be dropped in the general area within this defined relief zone.

Once a ball is put in play under this rule, the original ball is no longer in play—even if it is later found.

This option does **not** apply if:

- The ball is known or virtually certain to be in a penalty area, or
- A provisional ball has already been played.

Note: This local rule will not be used in competition or club events.

The hole-in-one club is a unique way to win some money, receive a trophy and treat your friends and members to a drink. Each time someone has a hole-in-one, golfers will receive 50% of the pot in cash and 50% of the pot in golf shop credit. Even if you don't think you're ever going to get a hole-in-one, just know, there's at least three to four times each year someone gets one and is not in the club!

Hole-In-Ones will count for the club starting on April 1 and continue until November 14.

ENTRY: \$10 per person, per hole-in-one (opt-out anytime)

2026 Hole-in-Ones

- Ron Kurpiel- #7
- Matt Burkardt- #11
- Rick Brickley #11
- Joe Corsi #7
- Bob Luther #7

Score Posting- GHIN

Score posting will begin on Wednesday, April 1

- You may post scores on the GHIN APP or leave your scorecard with the Golf Shop
- ALL scores (9 or 18) must be posted the day you play due to the PCC Calculation
- You CANNOT post a score if you have played by yourself
- During aerification, scores should still be posted per the USGA
- See below for example's on how to post scores if you do not finish an entire round.

- **13 or More Holes:**

When you play 13 or more holes, you must post an 18-hole score, even if you don't complete all 18 holes.

- **Holes Not Played:** For the holes you didn't play, you'll score them as "par plus" your course handicap strokes.
- **Example:** If you play 14 holes and have a course handicap of 10, you'd score the remaining 4 holes as par plus 1 stroke each (because your course handicap is 10, and you're entitled to 1 stroke per hole).

- **7 to 12 Holes:**

If you play between 7 and 12 holes, you must post a 9-hole score.

Holes Not Played: You'll only post scores for the 9 holes you played, and the remaining holes are disregarded for handicap purpose

Driving Range Information

The range is open to all but only included in Full Golf Members' dues. Social Members and Guests may pay a yearly or daily fee.

- Throughout the season, the driving range will close at dusk.
- On Wednesday's, the driving range will close at 3:00 pm for clean picking.
- On Thursday's the driving range will not open until around 11:00 am so turfgrass can cut the area.
- The driving range is only 200 yards. Please refrain from using any club that carries further than this.

Lightning Policy

We have upgraded our Lightning Detection System and Siren. Per our insurance policy, the lightning policy will be strictly enforced. We have two sirens that blow when lightning is within our 10-mile radius: one from the clubhouse and one from the turfgrass center. If you hear these sirens, you must stop IMMEDIATELY and seek shelter or return to the clubhouse. Those that do not follow this policy will be asked to leave the Golf Course and not return.

When weather, capable of producing lightning, approaches the area (within 10 miles), all golfers should use extreme caution. If a lightning storm is imminent, the golf staff will sound like a siren. When the siren sounds, all golfers are required to leave the course or seek shelter immediately. Golf carts are not lightning proof. Do not shelter under a tree as they conduct lightning to the ground.

The following disciplinary action will occur for those found golfing during a lightning warning:

1. Verbal Warning
2. No play for two weeks
3. No play for one month

Outside activities may resume when authorized by the Golf Shop staff after 15 minutes have passed since the last lightning strike. Golfers, resuming play, are expected to immediately return to the course at their previous location and resume play. Golfers not abiding by this will lose their position on the course. Please also note that lightning is difficult to predict and the lack of a siren warning on any occasion is no assurance of safety against lightning. Play is always at your own risk.

Member's Only Logo

For years, we've searched for the right "Members Only" logo, something meaningful, something unique, and something that truly represents Ligonier Country Club. We often asked ourselves, What could we do that genuinely reflects who we are or the area around us?

After some digging, we realized that sometimes the perfect timing, and the perfect inspiration, has been right in front of us all along.

This year marks America's 250th Anniversary, a celebration deeply rooted in the very history that surrounds our Club. Ligonier's origins are rooted in military history, and when you think of Ligonier, you immediately think of the Fort.

Even more meaningful is the land our course sits on, the former Brandt family farm. The Brandt family was involved in the Revolutionary War, and to this day, Revolutionary-era markings and symbols remain on their family headstones in the cemetery just down the road from the Club.

All of these historic ties led us to the cannon — a symbol that represents strength, heritage, and the deep roots of both our town and our Club.

We are proud to introduce our **Members Only Cannon Logo** — etched deep with history and meant to be worn proudly.

This logo will be exclusively available to LCC Members. It will not be offered to guests, making it a true representation of membership, belonging and a conversation piece when worn outside the club. A soft drop of items included hoodies, Greyson apparel, key chains, belts and hats have already arrived and a few more to come. We hope you enjoy!

As always, the Golf Shop is here to help with any questions and fulfill any order that comes to mind. For more information or questions about ordering products, please reach out.
