

From the Board *James Sarver, President*

Dear Members,

As we welcome the beautiful month of October, I hope everyone is enjoying the changing colors, cooler temperatures, and the wonderful golf that this time of year brings to Ligonier Country Club.

October is always a special month at the Club. The course is at its autumn best, and our calendar is filled with opportunities to enjoy good competition, camaraderie, and the traditions that make our Club such a special place. We're all looking forward to a better month in October!

September was a trying month at LCC. Due to several severe storms in the area, we experienced several power outages as well as extensive damage to the clubhouse power grid and the golf course. Thank you to Bill Elliott and his team for all of their hard work getting everything back up and running as we work our way through all of these challenges.

October Golf Events

We have several exciting golf events planned for the month, including two favorites that are sure to provide plenty of fun and fellowship.

Mission Impossible Week – October 13th–16th

Get ready for **Mission Impossible Week**, taking place Tuesday, October 13th through Friday, October 16th. This unique event is always a great way to bring members together for some spirited competition, challenging golf, and plenty of laughs along the way.

Ray's Revenge – October 17th

Following Mission Impossible Week, we will wrap up the festivities with **Ray's Revenge on Friday, October 17th**. This annual event promises to be a fun conclusion to an exciting week of golf.

Be sure to mark your calendars and join us for what should be another memorable day at Ligonier Country Club.

Enjoy October at the Club

Fall is one of the best times of the year to be at Ligonier. I encourage everyone to take advantage of the golf course, enjoy the clubhouse, and spend time with friends and fellow members. These are the moments and traditions that make our Club more than just a place to play golf they make it a community.

Thank you for your continued support and involvement in Ligonier Country Club. I look forward to seeing many of you throughout the month and on the golf course.

Enjoy the beautiful fall season, play well, and most importantly, have fun!

Warm regards,

Jim Sarver, President

Get ready for our Season of Giving that starts soon!!

SAVE THE DATE!! Saturday, November 14, 2026

Thanks for Giving Dinner & Basket Bash

Are you ready for a fun-filled evening at the Club? If yes, then the **Thanks for Giving Dinner & Basket Bash** is for you!! We had 70+ participants last year and we are hoping to top that number this year.

How do we get baskets for the raffle? Our members and the Ligonier Valley merchants get involved in this traditional event by donating gift baskets or items for gift baskets to the Club. The staff then create beautiful baskets which are raffled at our Thanks for Giving Dinner. Last year we created and raffled off more than 40 baskets. Yes, it was truly a Basket Bash!

A new twist for this year: someone will be going home with a 100" TV. Yes, that's right, the TV is yours, if you hit the closet to the pin "glow ball" off the patio to number 18 green!

Watch for more information regarding this event.

Starting November 1st

Donate non-perishable food items in the Foyer at the Club. All donations will be delivered to the Ligonier Food Bank.

Thank you for your generosity!

Barbara Sloan, LGA

It is hard to believe but our season is officially over. Hopefully, a warm October will still allow us to continue playing.

September did not offer much in the way of competition due to course aeration.

Best Poker Hand was the gadget for September 16. Each player received one card at the start of the round. Players earned additional cards from the Pro Shop for each net par or one putt. The best poker hand won.

- 1st Place: Jan Litrun (Straight Flush)
- 2nd Place: Linda Boyle (Full House Queen High)

September 23 was rained out.

The traditional closing day scramble took place on September 30, with everyone playing from the orange tees.

- 1st Place: Linda Boyle, Pam Policastro & Pat Warren (67)- Low Back (33)

The Association appreciates the support we receive each week from Sean Knaus and his team for organizing our games.

Bill Elliott and his club house staff deserve our thanks for ensuring our after-play lunches ran smoothly.

Dear Members,

From the Pro – October 2026

September was packed full of extraordinary events, and we made the most of it. Our 5-Person Scramble was once again sold out and is always a great way to enjoy the club before Labor Day and greens aerification, which was performed Tuesday, September 8. As always, September is a little slower for us because of aerification, but that leads us into a fantastic fall filled with events, beautiful foliage, and plenty of great golf around the area.

Now, our focus turns to the Oktoberfest Member-Guest, where we'll welcome the largest Member-Guest field to date with 144 players. Along with this event, we can't wait for Mission Impossible Week and Ray's Revenge! From October 13 to October 16, experience the course like no other, including a Guest Special and Pro Event, all leading up to Ray's Revenge.

If you have yet to play in Ray's Revenge, you must get your name on the sign-up sheet and experience it for yourself. Jim, Ray, Lester, and the crew make every hole a challenge; from hoses on the greens and leaf blowers running near the hole, to maintenance carts and trucks scattered across an entire hole. It's one of those events you'll be talking about long after it's over.

And, of course, Team Golf Shop takes on Team Grounds for the battle of the ages. Through the first three years of the event, Team Grounds holds a 2-1 advantage, so this year, Team Golf Shop is looking to even the match!

October also brings a few changes to our normal tee time schedule, along with the possibility of frost delays. As the days get shorter and temperatures drop, please be aware of the following starting times:

- Mondays: 10:00 AM start
- Weekdays: 8:30 AM start
- Weekends: 8:30 AM start

Group times will also change throughout the month. The updated group schedule can be found below in this section.

Frost delays are also a possibility throughout October. All frost delay updates will be sent exclusively through push notifications on the LCC app. Please make sure you have notifications enabled so you receive the latest updates regarding the golf course and tee times.

As we start to finish out the year, we want to put one reminder in your thoughts while you're on the golf course. Over the course of the summer and recently, there have been many ball marks and divots that have not been repaired or replaced. This isn't just during golf events, we notice it in the morning, afternoon, and evening each day.

So, we ask each member to keep an eye out while you're playing and replace or fix anything you see. It's as simple as:

“See a Ball Mark, Fix a Ball Mark.”

Even if it's not yours.

A little extra effort from everyone goes a long way toward keeping the golf course in the best condition possible for all of us to enjoy.

See you on the course!

Driving Range & Local Rule Updates

The Driving Range will close for the season on Sunday, October 18. It will reopen, sometime in April.

Driving Range Reminder

Please note that the driving range is **irons only**. We have recently found a number of golf balls in the #14 fairway, near the #14 green, and around the #15 white tee. With a few trees lost around the perimeter of the range, it's important that we remain mindful of golfers out on the course. Your cooperation helps ensure the safety of all players.

Holes Not Played: You'll only post scores for the 9 holes you played, and the remaining holes are disregarded for handicap purposes.

Driving Range Information

The range is open to all but only included in Full Golf Members' dues. Social Members and Guests may pay a yearly or daily fee.

- Throughout the season, the driving range will close at dusk.
- On Wednesday's, the driving range will close at 3:00 pm for clean picking.
- On Thursday's the driving range will not open until around 11:00 am so turfgrass can cut the area.
- The driving range is only 200 yards. Please refrain from using any club that carries further than this.

Lightning Policy

We have upgraded our Lightning Detection System and Siren. Per our insurance policy, the lightning policy will be strictly enforced. We have two sirens that blow when lightning is within our 10-mile radius: one from the clubhouse and one from the turfgrass center. If you hear these sirens, you must stop IMMEDIATELY and seek shelter or return to the clubhouse. Those that do not follow this policy will be asked to leave the Golf Course and not return.

When weather, capable of producing lightning, approaches the area (within 10 miles), all golfers should use extreme caution. If a lightning storm is imminent, the golf staff will sound like a siren. When the siren sounds, all golfers are required to leave the course or seek shelter immediately. Golf carts are not lightning proof. Do not shelter under a tree as they conduct lightning to the ground.

The following disciplinary action will occur for those found golfing during a lightning warning:

1. Verbal Warning
2. No play for two weeks
3. No play for one month

Outside activities may resume when authorized by the Golf Shop staff after 15 minutes have passed since the last lightning strike. Golfers, resuming play, are expected to immediately return to the course at their previous location and resume play. Golfers not abiding by this will lose their position on the course. Please also note that lightning is difficult to predict and the lack of a siren warning on any occasion is no assurance of safety against lightning. Play is always at your own risk.

New Local Rule – Root & Rock Relief

To help protect players and maintain pace of play, we are introducing the following local rule for regular play:

LCC Root and Rock Rule:

If a player's ball comes to rest on or near tree roots or rocks that interfere with the player's stance or intended swing, the player may take free relief. Relief is taken by determining the nearest point of complete relief, no closer to the hole, and dropping within one club length of that point. The ball must be dropped from knee height and come to rest within the relief area.

Note: This rule applies to daily play only and will not be in effect for tournament play.

Out of Bounds – Alternative to Stroke & Distance (Pace of Play)

As a reminder, to help improve pace of play, we are utilizing the Local Rule for Out of Bounds/Lost Ball relief:

When a ball is lost or out of bounds, a player may proceed under this local rule for **two penalty strokes** instead of returning to play from the previous spot.

- Identify the **ball reference point** (where the ball is estimated to be lost or last crossed out of bounds).
- Identify the **fairway reference point** (nearest fairway area, not closer to the hole).
- The relief area is established between these two points and within two club lengths on either side, no closer to the hole.
- The ball must be dropped in the general area within this defined relief zone.

Once a ball is put in play under this rule, the original ball is no longer in play—even if it is later found.

This option does **not** apply if:

- The ball is known or virtually certain to be in a penalty area, or
- A provisional ball has already been played.

Note: This local rule will not be used in competitions or club events.

Member's Only Logo

For years, we've searched for the right "Members Only" logo, something meaningful, something unique, and something that truly represents Ligonier Country Club. We often asked ourselves, What could we do that genuinely reflects who we are or the area around us?

After some digging, we realized that sometimes the perfect timing, and the perfect inspiration, has been right in front of us all along.

This year marks America's 250th Anniversary, a celebration deeply rooted in the very history that surrounds our Club. Ligonier's origins are rooted in military history, and when you think of Ligonier, you immediately think of the Fort.

Even more meaningful is the land our course sits on, the former Brandt family farm. The Brandt family was involved in the Revolutionary War, and to this day, Revolutionary-era markings and symbols remain on their family headstones in the cemetery just down the road from the Club.

All of these historic ties led us to the cannon — a symbol that represents strength, heritage, and the deep roots of both our town and our Club.

We are proud to introduce our **Members Only Cannon Logo** — etched deep with history and meant to be worn proudly.

This logo will be exclusively available to LCC Members. It will not be offered to guests, making it a true representation of membership, belonging and a conversation piece when worn outside the club. A soft drop of items included hoodies, Greyson apparel, key chains, belts and hats have already arrived and a few more to come. We hope you enjoy!

As always, the Golf Shop is here to help with any questions and fulfill any order that comes to mind. For more information or questions about ordering products, please reach out.
